3. TIME SHARE PLAN

Welcome to Westin Ka’anapali Ocean Resort Villas North Vacation Ownership Plan. We have worked hard to create a vacation plan that will provide you with enjoyable vacation experiences for many years to come. Here is how it works:

3.1. INTRODUCTION.

The name of the plan is Ocean Resort Villas North Vacation Ownership Plan. For convenience we will call it the “*Vacation Ownership Plan*” or just the “*Plan*” in this document.

The basic idea of the Plan is that the Owners will share the ownership and use of certain condominium apartments and will also share the cost of operating the Plan and maintaining those apartments and their furnishings, and the condominium project.

The property included in the Plan consists of certain apartments located in a brand new beachfront condominium project on Maui named Ocean Resort Villas North (the “*Condominium*”). The Condominium is currently being built and is located at 170 Kai Ala Drive, Lahaina, Maui, Hawaii 96761. The apartments

included in the Plan are called “*Vacation Units*” and they are listed in Exhibit B.

Each Buyer will receive a deed of an interest in a Vacation Unit. The deed will be recorded in the real estate records of the State of Hawaii. Each Buyer will also receive a policy of title insurance. It insures his or her real estate ownership. Because the Buyer will receive a real estate deed, under Hawaii law the Plan is an “ownership” plan.

The nature of the Plan and the rights and duties of the Developer, the Buyers, and anyone else who participates in the Plan or who has an interest in it, are governed by the Vacation Plan Documents.

Under the Vacation Plan Documents, you and every other Owner will have the right to reserve the use of a Vacation Unit included in the Plan. The Vacation Unit you may reserve, and the times you may use it, are established in the Vacation Plan Documents. The Vacation Plan Documents also explain your other rights and duties as an Owner including your duty to pay your “Fair Share” of the costs of owning the Vacation Units and operating the Plan. For your convenience, we will discuss or summarize some of the key points in these documents later on, but you should make time to read them yourself so that you fully understand your rights and duties.

To widen your vacation opportunities, the Developer has arranged for the Plan to join the Starwood Pacific Vacation Club (the “*Club*”). The Club is an exchange program designed to link vacation plans together through a central reservation system. This gives the members of each of the linked vacation plans the opportunity to request a reservation in the other participating resorts.

The Club has been designed so that many different resorts can be included in the Club. Each vacation plan included in the Club is called a “*Club Vacation Plan*” and each resort is called a “*Club Resort*”. The first vacation plan to join the Club was the Ocean Resort Villas Vacation Ownership Plan. It is a completely separate vacation plan consisting of units in a neighboring condominium project. The Ocean Resort Villas North Vacation Ownership Plan is the second vacation plan in the Club. There are presently no other Club Resorts and neither Developer nor anyone else can make promises about any future Club Resorts.

However, the Club provides access to the Starwood Vacation Network (called “*SVN*” in this document and sometimes called the “*Network*” in other documents). SVN is another exchange program. It links the Club with other vacation clubs and provides exchange services to owners in other vacation plans.

This allows you to exchange your use rights for the right to use property in other SVN Resorts.

SVN currently includes various Westin and Sheraton vacation ownership resorts located in Hawaii, the Bahamas, the U.S. Virgin Islands, Florida, Colorado, California, Arizona, South Carolina, and other locations. Other vacation plans or vacation clubs may also join but neither the Developer nor anyone else can make any promises about that. Each resort included in SVN is called an “*SVN Resort*”.

Finally, SVN provides access to the Interval International, Inc. (“*Interval International*”) exchange program. It provides you the opportunity to reserve a unit at nearly two thousand different vacation ownership resorts around the world.

So as an Owner in the Westin Ka’anapali Ocean Resort Villas North Vacation Ownership Plan, you will have the opportunity to reserve:

- ❖ A Vacation Unit in the Plan;
- ❖ A unit in other Club Resorts or in other SVN Resorts; or
- ❖ A unit in the nearly two thousand resorts available through Interval International, Inc.

So far, we have only given you an overview of the Plan, the Club and SVN. Now let’s get down to the details of what you are buying and how the Plan works.

3.2. WHAT AM I BUYING?

You are buying a “*Vacation Ownership Interest*.” It includes:

- ❖ An undivided 1/52nd or a 1/104th interest in a Vacation Unit.
- ❖ A membership in the Ocean Resort Villas North Vacation Owners Association (the “*Association*”).
- ❖ The right to reserve the use of a Vacation Unit for one “*Use Week*”.
- ❖ The right to use a Vacation Unit and its furnishings during the Use Week that you reserve (your “*Vacation Period*”).

Your Vacation Ownership Interest comes with a membership in the Club. As a Club Member, you will have the right to request a reservation for units included in other Club Vacation Plans.

Since the Club is part of SVN, you will also have access to SVN. As a member of SVN (“*SVN Member*”), you will have the right to request a reservation for units in other SVN Resorts. You will also have the opportunity to take advantage of any of the other benefits offered by the owner of SVN (the “*SVN Operator*”) from time to time. This includes, for example, use of the Interval International exchange program.

Your rights in the Club and in SVN are described in greater detail in the Starwood Vacation Exchange Company Disclosure Guide. The Interval International exchange program is

described in its own exchange program disclosure statement. The Developer will give you a copy of both of these documents.

As a co-owner of an apartment in the Condominium, you will also be a member of the Association of Apartment Owners of the Ocean Resort Villas North condominium (the “*Condominium Association*”). See Section 6.1 for details.

In addition, all resort apartment owners, including you, are members of the Ocean Resort Master Association (the “*Master Association*”) and will have the right to use certain amenities owned or controlled by the Master Association. See Section 4.5 for details.

3.3. WHAT ARE MY BASIC RIGHTS AND DUTIES?

First and foremost, you will be a member of the Plan. Members of the Plan are given an advantage in reserving a Vacation Unit in the Ocean Resort Villas North Condominium. The period during which you have this advantage is the best time to make reservations because during this time period, you compete for reservations on a first-come, first-served basis only with the other Owners of Vacation Ownership Interests in this Plan.

Here is how you and the other Owners share the use of the Vacation Units:

A. **TIME PERIODS.** For reservation and use purposes, time is divided into “*Use Years*” with 52 “*Use Weeks*” per Use Year (except that in certain years with 53 weeks, there are 53 Use Weeks). Each Use Year begins on one of the first seven days of the calendar year and ends on one of the first seven days of the next calendar year.

B. **WHAT IS A USE WEEK?** A “*Use Week*” is a one-week period starting at “*check-in time*” in the afternoon and ending at “*check-out time*” in the morning one week later. Each year, the Plan Operator will prepare a “*Vacation Calendar*”. The Vacation Calendar will divide the Use Year into Use Weeks and it will also show the Check-In/Check-Out Day for each Vacation Unit. Unless the Reservation Rules say otherwise, the Check-In/Check-Out Day will be a Friday, Saturday, or Sunday. The Check-In/Check-Out Day may be different for different Vacation Units and may be changed from time to time. The exact time of day for Check-In and Check-Out will be stated in the Association Rules, which now state that check-out time is 10:00 a.m., and check-in time is 4:00 p.m.

The Use Weeks are numbered from 1 to 52 (or 53). Some Use Weeks, called “*Event Weeks*”, also have a name. The Event Weeks are: (i) “*New Years*”, which means the last Use Week of the Use Year; “*Christmas*”, which means the next to last Use Week of the Use Year; “*Golden Week*”, which means the Use Week during which occurs the most number of those days (April 29, and May 3 – 5) in the Japanese national holiday called “*Golden Week*”; and “*Obon Week*”, which means the Use Week that includes August 15, a religious holiday in

Japan. When August 15 falls on a Check-In/Check-Out Day, the Vacation Calendar will state which Use Week will be Obon Week.

The time between Check-Out Time and Check-In Time later that day is called a "*Minor Service Period*." The Association will provide housekeeping and other services during this time.

In addition, each year, the Association may choose up to three Use Nights per Vacation Unit to be the "*Major Service Period*" for that Vacation Unit. If needed to maintain or upgrade the Vacation Units and if the Plan's vacancy rate is high enough to permit it, the Association may set aside additional time for Major Service Periods. Major Service Periods are set aside for annual maintenance and repairs.

C. HOW OFTEN CAN I RESERVE A USE WEEK? You can purchase the right to reserve and use a Use Week every year or every other year.

If you choose every year, then you will own an "*Every-Year Vacation Ownership Interest*." It gives you the right to reserve the use of a Vacation Unit for one Use Week in every Use Year. In that case, you will own an undivided 1/52nd interest in Your Vacation Unit.

If you prefer every other year use rights then you will own an "*Every-Other-Year Vacation Ownership Interest*." In that case, you will own an undivided 1/104th interest in Your Vacation Unit. There are two kinds of Every-Other-Year Vacation Ownership Interests:

If you choose an "*Even-Year Vacation Ownership Interest*", then you will have the right to reserve the use of a Vacation Unit for one Use Week in each even-numbered Use Year (for example, 2008, 2010, and so on.)

If you choose an "*Odd-Year Vacation Ownership Interest*", then you will have the right to reserve the use of a Vacation Unit for one Use Week in each odd-numbered Use Year (for example, 2007, 2009, and so on.)

D. WHAT USE WEEK CAN I USE? The Use Week you use depends on the reservation rights you choose for your Vacation Ownership Interest. You can choose from a *Fixed Vacation Period*, a *Floating Vacation Period*, an *Event Vacation Period*, or an *Ultra Premium Vacation Period*. Here are the key features of each:

1) **Floating Vacation Period.** If you choose a Floating Vacation Period, then you may reserve any Use Week that is not already reserved and that no other persons have the exclusive right to reserve. The Use Week that you reserve is called "*Your Use Week*." To reserve a Use Week, you must follow the procedures in the current Reservation Rules. You cannot, of course, reserve a time period set aside for use by the Association for maintenance, repairs, and so on.

2) **Fixed Vacation Period.** If you choose a Fixed Vacation Period, then you will have the exclusive right (meaning the first chance) to reserve a specific Use Week. The

Use Week that you may reserve is called "*Your Use Week*" or "*Your Fixed Vacation Period*". You must reserve it by the deadline stated in the Reservation Rules (currently about 10 months before Your Use Week starts). If you do not, then you will have the right to reserve a different Use Week (subject to availability) just as if you had a Floating Vacation Period.

3) **Ultra Premium Vacation Period.** If you choose an Ultra Premium Vacation Period, then a specific Use Week automatically will be reserved for use by you. The Use Week reserved for you is called "*Your Use Week*" or "*Your Ultra Premium Vacation Period*."

4) **Event Vacation Period.** If you choose an Event Vacation Period, then a specific Event Week automatically will be reserved for use by you. The Event Week reserved for you is called "*Your Use Week*" or "*Your Event Vacation Period*."

5) **Temporary Floating Use.** The Reservation Rules may permit the Owner of a Fixed, Event or Ultra Premium Vacation Period to give up his or her special reservation rights for that Use Year and instead be treated as if the Owner had a Floating Vacation Period for that Use Year. In that case, the Owner will have the same reservation and use rights as an Owner of a Floating Vacation Period for that particular Use Year. The Reservation Rules may impose conditions or limitations on the ability of an Owner to do this. The current Reservation Rules permit Owners having Event or Ultra Premium Vacation Periods to do this subject to certain conditions.

6) **Split Week Use.** "*Split Week*" means a period of less than seven consecutive Use Nights. A "*Use Night*" is a period beginning at Check-In Time on one day and ending at Check-Out Time the next day. Instead of reserving an entire Use Week, an Owner can reserve up to a total of seven Use Nights as Split Week Use Periods. An Owner may do this only if and to the extent that the Reservation Rules permit it. The current Reservation Rules permit this subject to certain conditions.

7) **Check-In/Check-Out Day.** The Check-In and Check-Out Days for the Use Weeks may change from time to time. This is true whether you have a Floating, Fixed, Event or Ultra Premium Vacation Period.

E. WHAT UNIT MAY I USE? The Vacation Unit you use depends on whether your Vacation Ownership Interest has a "*Floating Unit Use Right*" or a "*Fixed Unit Use Right*."

1) **Unit Types.** The Vacation Plan Documents divide the Vacation Units into different groups or "*Unit Types*." Right now there are three Unit Types: Two Bedroom Island Villa, Two Bedroom Ocean Villa, and Two Bedroom Ocean Front Villa. Your Unit will be one of these three Unit Types. This is called "*Your Unit Type*". The list of Vacation Units attached as Exhibit B states the Unit Type for each Vacation Unit currently included in the Plan.

2) **Floating Unit Use Right.** If you choose a Floating Unit Use Right, then you have the right to reserve any Vacation Unit that is the same Unit Type as your own Vacation Unit. You cannot, however, reserve a Vacation Unit that is already reserved by someone else or that any other persons have the exclusive right to reserve, and you will not have the right to reserve any specific Vacation Unit even though you own an interest in a specific Vacation Unit.

3) **Fixed Unit Use Right.** If your Vacation Ownership Interest has a Fixed, Event or Ultra Premium Vacation Period, then it may have a Floating Unit Use Right or a Fixed Unit Use Right. If it has a Fixed Unit Use Right then you will have the right to use your own Vacation Unit during Your Use Week. You automatically give up your Fixed Unit Use Right if:

- ❖ You have a Fixed Vacation Period but you do not reserve Your Use Week by the deadline stated in the Reservation Rules.
- ❖ You choose to convert your special reservation rights as the Owner of a Fixed, Event or Ultra Premium Vacation Period for the right to be treated as if you had a Floating Vacation Period for that Use Year as discussed in Section 3.3.D.5), above.

4) **Lock-Off Use.** Some or all of the Vacation Units (called "*Lock-Off Units*") have been designed so that they can be used either as a whole unit or on a "lock-off" basis. For example, a Two-Bedroom Ocean Villa in Building 5 can be used as a two-bedroom apartment. But it may also be used as two separate units: a one-bedroom unit and a studio unit, each having its own separate front door that can be locked.

When a Vacation Unit is used as a whole unit, it is called a "*Full Unit*". When it is used as two separate units on a lock-off basis, then the larger unit is called a "*One Bedroom Premium Villa*" and the other unit is called a "*Studio Premium Villa*." The Reservation Rules may permit an Owner who has the right to use a Lock-Off Unit for one Use Week to choose either (a) to use a Full Unit for one Use Week, or (b) to use a One Bedroom Premium Villa for one Use Week and a Studio Premium Villa for another Use Week.

The Reservation Rules may also permit an Owner to use the One Bedroom Premium Villa part of a Lock-Off Unit during his or her Fixed, Event, or Ultra Premium Vacation Period and to give up the right to use the Studio Premium Villa side during that time period for that Use Year. In that case, the Owner would have the right to reserve a Studio Premium Villa part of a Lock-Off Unit (that is the same Unit Type as the Owner's Unit) in that same Use Year just as if he or she had a Floating Vacation Period during that Use Year. The Reservation Rules may also do the reverse (i.e., permit an Owner to use a Studio Premium Villa during the Fixed, Event or Ultra Premium Vacation Period, and to reserve a One Bedroom Premium Villa side of a Lock-Off Unit that is the same Unit Type on a floating basis).

The Reservation Rules may place restrictions on Lock-Off use, including how far in advance an Owner may reserve just one side of a Lock-Off Unit.

5) **Assigned Unit.** If you have a Floating Unit Use Right, the Plan Manager will assign a Vacation Unit for your use. That Unit is called your "*Assigned Unit*." If you have a Fixed Unit Use Right, your own Vacation Unit is called your "*Assigned Unit*." If you choose to reserve part of a Vacation Unit on a Lock-Off basis, then the part that you use will be your "*Assigned Unit*."

3.4. HOW DO I MAKE A RESERVATION?

A. **RESERVATION RULES.** The Plan is currently part of the Starwood Pacific Vacation Club. The Club is owned and operated by SVO Hawaii Management, Inc., a Hawaii corporation (the "*Club Operator*"). The Club Operator provides a reservation system for Owners who wish to reserve a Vacation Unit in the Plan.

To use a Vacation Unit, you must reserve a Use Period in the manner provided by the Reservation Rules adopted by the Plan Operator. "*Plan Operator*" means the Club Operator at any time when the Plan is part of the Club. If the Plan is no longer part of the Club, then "*Plan Operator*" means the Association.

This means that while the Plan is part of the Club, the Club Operator will manage the reservation and use of the Use Periods through the Club. During such time, you must make your reservations through the Club Operator's reservation system. You must also make all exchange requests through the Club Operator.

If the Plan is no longer part of the Club, then the Association becomes the Plan Operator. It must create a reservation system and adopt its own Reservation Rules.

The current Reservation Rules are attached to the Starwood Vacation Exchange Company Disclosure Guide. They are called the "Starwood Vacation Network Rules and Regulations for the Starwood Pacific Vacation Club." The Club Operator has adopted them as the Reservation Rules.

Note: At any time when the Plan is part of the Club, the Club Operator may delegate or assign some or all of its rights and duties as Plan Operator to someone else. It may also contract with someone else to perform its duties as the Plan Operator.

B. **POINTS SYSTEM.** The Club is part of the SVN program. SVN is owned and operated by Starwood Vacation Exchange Company, a Delaware corporation (the "*SVN Operator*"). SVN is an Exchange Program. It allows you and other Owners to use units in other SVN Resorts in exchange for your use rights in the Plan.

SVN Resorts are located in different places. For instance, SVN includes resorts in Florida, the Bahamas, South Carolina, Colorado, Arizona, California, and elsewhere. SVN Resorts tend to have different features from one resort to the next, and the units may also differ. The demand for SVN Resorts may

differ based on their location, the time of year, and other factors. For example, the demand for an SVN Unit in Colorado may be very high during the ski season.

To reflect these differences, the SVN Operator has adopted a "points" system to allocate reservation and use rights among the SVN Members. The Club Operator has also adopted a points system to allocate reservation and use rights among members of the Club. The Vacation Plan Documents expressly authorize the Club Operator to do this but it is not required.

The Club Operator's points system is used not only to reserve Vacation Units in this Plan but also to exchange use rights in this Plan for the right to use units in other Club Resorts. The SVN Operator's points system provides a way to exchange use rights in this Plan for the right to use units in other SVN Resorts.

The points system is described in greater detail in the Starwood Vacation Exchange Company Disclosure Guide and the Reservation Rules. For your convenience, however, some of the key points are summarized here.

C. WHAT ARE POINTS AND HOW DO THEY WORK? "Points", also called "StarOptions", represent each Owner's reservation and use rights. Each year, the Plan Operator assigns a certain number of Points to you and every other Club Member. You may "spend" your Points to reserve a Vacation Unit in the Plan or in another Club Resort. Every night in every Club Unit is given a "Point Value" - the price of staying in that unit or kind of unit for that night. Subject to the priorities, limitations and restrictions in the Reservation Rules, you may reserve any Vacation Unit or any other Club Unit for any Use Period so long as the unit and Use Period are available and so long as you have enough Points to pay the Point Value.

In some ways, Points are like miles in a frequent flyer program. In a frequent flyer program, you use your miles to get tickets for airline flights. In the Club, you use your Points to reserve a unit in the Plan or in another Club Resort.

SVN works in essentially the same way. Your Club Points are converted to SVN Points and you may then use them to reserve a unit in an SVN Resort.

D. WHERE DO POINTS COME FROM? Each year, the Plan Operator assigns a Point Value to each Use Period in each Club Unit (including the Vacation Units in this Plan) and the SVN Operator does the same for each Use Period in each unit at an SVN Resort that is available for reservation by SVN Members through the SVN program ("SVN Unit"). In setting Point Values, they may consider all factors that they consider relevant. For example, they may consider (i) the location, size, capacity, furnishings and other features of a unit or unit type, (ii) the location, views, recreational and other features of the resort in which a unit is located, (iii) demand and availability for purchaser use, (iv) the cost to buy, build, operate, or maintain a particular unit or resort, and (v) anything else that may be relevant in their opinion.

In setting the Point Values, the Plan Operator does not have to compare each unit separately. Instead, it can divide the units into different groups or types of units. The groups may be limited to a single resort or may be used throughout the system. The Plan Operator may then assign Points based on a comparison of the different unit types. Note that the Plan Operator can change the unit groupings from time to time based on any factors that are relevant in the Plan Operator's opinion.

Likewise, the Plan Operator does not have to compare each Use Night against every other Use Night. Instead, it may divide the calendar year into different periods, called "Seasons" and divide the Use Nights among the Seasons. It may then set Point Values by making comparisons between Seasons. The Seasons do not have to be the same for each resort and the Plan Operator may change the Seasons for a resort based on any factors that are relevant in the Plan Operator's opinion.

The Plan Operator may draw other distinctions when assigning Points. It may do so in order to recognize new classes of memberships or reservation and use rights created from time to time, or to enhance the administration and operation of the system, or for any other purpose that is relevant in the Plan Operator's opinion.

The Plan Operator can change the Point Value of a Use Period from time to time in its sole discretion. It may also change them as required by law or by any governmental agency. At least yearly, the Plan Operator will prepare a "Points Chart" or "Starpoints Chart" listing the Point Value for each Use Night available for reservation. It may update the Points Chart during the Use Year. For example, it might do so to reflect things like the addition or deletion of units or resorts, the creation of new unit types, and so on.

If a unit can be used as a Lock-Off Unit, then the Points Chart will list its unit type as a Full Unit and also the unit type of each Lock-Off Unit. Separate Point Values may be created for each. The sum of the Point Values for the One Bedroom Premium Villa and the Studio Premium Villa may be higher than the Point Value for the Full Unit. This is because breaking up a unit into two Lock-Off Units may mean that one of the Lock-Off Units may go unused. As a result, the Plan Operator may choose to reflect this fact in setting the Point Values for use of Lock-Off Units.

Likewise, the sum of the Point Values for each Use Night in a Use Week may be higher than the Point Value for the full Use Week. This is because breaking up a Use Week into smaller Use Periods may mean that some of the Use Nights may go unused. As a result, the Plan Operator may choose to reflect this fact in setting the Point Values for use of the individual Use Nights making up a Use Week.

The decisions of the Plan Operator and the SVN Operator on Point assignments are final. However, to protect your reservation and use rights, the Declaration provides that the total number of Points assigned to all of the persons to whom

Points are assigned must not exceed the total of all the Point Values for all Use Periods to which Points are assigned.

E. HOW MANY POINTS DO I GET? Each year, the Plan Operator will assign to each Vacation Ownership Interest the number of Points equal to the Point Value of the Owner's Vacation Ownership Interest as shown on the Points Chart for that Use Year.

The Plan Operator will assign Points to Odd-Year Vacation Ownership Interests only for use during odd-numbered Use Years. Likewise, the Plan Operator will assign Points to Even-Year Vacation Ownership Interests only for use during even-numbered Use Years.

The number of Points assigned to you will not be based on the use of Lock-Off Units but rather on use of a Full Unit (unless an Owner's use rights are limited to one side of a Lock-Off Unit). The number of Points assigned to you will not be based on individual Use Nights but on full Use Weeks.

Copies of the StarOptions and Starpoints Charts are given to Owners at the time of purchase.

F. HOW DO I MAKE A RESERVATION? To make a reservation, you must first check the Points Chart to find the Point Value of the Use Period and kind of unit that you want to reserve. Then check to be sure that you have enough Points to reserve it. You must then follow the rules for making reservations contained in the Reservation Rules. If you are unsure about any of these things, just call Reservation Services. "Reservation Services" is a place you can call for help in making reservations. Its phone number is (888) 986-9637.

G. WHEN CAN I MAKE A RESERVATION? The Reservation Rules create a "Reservation Window" for each Use Period. This is a time when an Owner, a Club Member, an SVN Member, the Developer, the Club Operator, or someone else may request a reservation. Currently, the Reservation Rules provide that the Reservation Window for a Use Period begins one year before the Check-In Day for that Use Period. This means that the Plan Operator would begin taking reservations for a Use Week that starts on July 1, 2009 on the first day of July, 2008. You cannot reserve a Use Period before the start of the Reservation Window for that Use Period.

The Reservation Rules further divide the Reservation Window for a Use Period into different "Reservation Periods". A "Reservation Period" is a part of a Reservation Window. The dates when Reservation Periods start or end may be different for different Club Resorts or Club Vacation Plans, or at other SVN Resorts.

1) There must be at least one Home Resort Reservation Period and there may be more. A "Home Resort Reservation Period" is a Reservation Period when only Owners in this Plan may reserve a Use Period in a Vacation Unit included in this Plan. The Reservation Rules may give different names to the Home Resort Reservation Periods. For now, there are two Home Resort Reservation Periods (although this may change):

- ❖ The "Home Resort Priority Period" begins one (1) year before the Check-In Day of a given Use Period and lasts two (2) months. During the Home Resort Priority Period:
 - An Owner having a Fixed Vacation Period has the exclusive right to reserve his or her Fixed Vacation Period without competition from other Club Members or SVN Members, subject to any limitations in the Vacation Plan Documents and the SVN Rules, and
 - Owners having Floating Vacation Periods in the Plan may reserve Use Periods in the Plan, subject to any limitations in the Vacation Plan Documents and the SVN Rules. Other Club Members and SVN Members cannot reserve a Use Period in the Plan during this time.
- ❖ The "Home Resort Float Period" begins immediately after the Home Resort Priority Period and ends eight (8) months before the Check-in Day of the Use Period. During the Home Resort Float Period, all Owners in this Plan have the exclusive right to compete to reserve the use of unreserved Use Periods in this Plan, subject to any limitations in the Vacation Plan Documents and the Reservation Rules.

SVN Members at other SVN Resorts are likely to have similar rights with respect to their own Home Resort.

2) An "SVN Reservation Period" is a Reservation Period when SVN Members (including Owners in this Plan) may use SVN to reserve a Use Period in an SVN Unit, including but not limited to a Vacation Unit in this Plan. For now, there are three SVN Reservation Periods (although this may change):

- ❖ The "SVN Float Period." It begins immediately after the Home Resort Float Period for a given Use Period and ends ninety (90) days before the Check-in Day. During the SVN Float Period, all SVN Members compete for a reservation on a space available, first-come, first-served basis to reserve the use of a Use Period for which the SVN Member holds enough Points, subject to the SVN Rules.
- ❖ The "SVN Options Period." It begins immediately after the SVN Float Period and ends the day before the Check-In Day of a given Use Period. During the SVN Options Period, all SVN Members compete for a reservation on a space available, first-come, first-served basis to reserve the use of a Use Period for which the SVN Member holds enough Points, and have limited rights to Borrow Points and reserve Split Vacation Periods, subject to the SVN Rules. The SVN Options Period overlaps with the SVN Priority Period.
- ❖ The "SVN Priority Period." It is the sixty (60)-day period immediately preceding the Check-in Day of a given Use Period. During the SVN Priority Period, SVN Members have limited rights to reserve the Use Periods, subject to the SVN Rules. In addition, during the SVN Priority Period the Developer and, to the extent permitted by law, the Club Operator have the right to reserve Use Periods for their own use such as for rental to the public or for other purposes.

3) There may be other Reservation Periods in addition to these. For example, the Club may set up one or more "Club Reservation Periods" when only Club Members can make reservations. New Reservation Periods may also appear when, for example, the Developer, the Club Operator, or the SVN Operator creates new kinds of memberships or new unit types. For example, suppose the Developer decides to add a group of units and to create a new kind of Vacation Ownership Interest that gives certain Owners the first chance to reserve those units at certain times such as Aloha Week. If so, the Developer might create a new Reservation Period when only those Owners can reserve one of those units for Aloha Week. This Reservation Period might be one of the Home Resort Reservation Periods. It might begin and end before the start of any other Home Resort Reservation Periods, but it would not have to do so. This is called a "Special Reservation Period" because it is a time when only Owners having certain special reservation rights may make a reservation.

By the way, it is possible that different SVN Resorts may choose different SVN Reservation Periods. For example, our SVN Float Period may start eight months in advance of check-in while the SVN Float Period for, say, one of the Florida vacation clubs may start 15 months in advance of check-in. In that case, the SVN Operator will not allow members of that Florida vacation club to make reservations of Vacation Units in this Plan until this Plan's SVN Float Period starts. Likewise, members of this Plan would not be able to make reservations in the Florida vacation club until this Plan's SVN Float Period starts. This is just an example; the SVN Float Period is currently the same for all SVN Resorts.

3.5. WHAT SHOULD I KNOW ABOUT THE RESERVATION RULES?

Everything! You should read them and take time to understand them. Here are some of the things we thought you might want to know about:

A. RESERVATIONS. So long as the Plan is part of the Club, all requests for reservations to use the Vacation Units in this Plan must be made through the Club Operator in its role as the Plan Operator. If the Club Operator delegates its duties as Plan Operator to the SVN Operator, then all reservation requests must be made through the SVN Operator.

B. EXCHANGE. So long as the Plan is part of the Club, all Owners must make their exchange requests through the Club Operator in its role as the Plan Operator. If the Club Operator delegates its duties as Plan Operator to the SVN Operator, then all exchange requests must be made through the SVN Operator.

C. DELINQUENT OWNERS. An Owner is not allowed to reserve, use or exchange a Vacation Unit if (i) the Owner has not paid any Regular Assessment, Special Assessment, Personal Charge, or Club Fees due or past due, or (ii) the Plan Operator learns that the Owner has not paid any amounts due under any note or mortgage made by the Owner in favor of the Developer. The Plan Operator may cancel a

reservation held by an Owner if that Owner does not pay any Regular Assessment, Special Assessment Personal Charge, Club Fee or mortgage payment due or past due.

D. OTHER RESERVATION RULES. The Reservation Rules may contain other rules. For example, they may (1) designate some or all Vacation Units as no-smoking units, (2) limit the number of Split Weeks that an Owner may reserve or the times when an Owner may reserve them, (3) limit how far in advance an Owner may reserve a Split Week or a Lock-Off Unit, (4) limit or prohibit an Owner from reserving only one side of a Lock-Off Unit for less than a full Use Week, (5) require that reservations be for a minimum or maximum number of Use Nights, (6) limit the time period within which an Owner may cancel a reservation without losing some or all of his or her Points or reservation or use rights, (7) limit an Owner's reservation rights if the Owner had a confirmed reservation in that Use Year but changed it, or (8) permit the Plan Operator to cancel a reservation if an Owner's reservation or use rights have been suspended or have ended. Currently the Reservation Rules permit reservations for Split Week use only during the SVN Options Period.

E. RESERVATION PRIORITIES. The Reservation Rules may create other reservation priorities. For example, they may give priority to the reservation requests of: (1) an Owner requesting two or more Use Weeks in a row over an Owner requesting a single Use Week; (2) an Owner requesting a reservation of two units for the same Use Week over an Owner requesting only a single Unit for that Use Week (or *vice versa*); (3) an Owner owning more Vacation Ownership Interests over an Owner owning fewer Vacation Ownership Interests; (4) an Owner owning an Every-Year Vacation Ownership Interest over an Owner owning an Every-Other-Year Vacation Ownership Interest; (3) an Owner requesting a Full Unit over an Owner requesting either a One Bedroom Premium Villa or a Studio Premium Villa; (4) an Owner requesting a full Use Week over an Owner requesting a Split Week. The Reservation Rules may also provide for rotating the use of Use Periods in great demand, such as holiday Use Periods, and for waiting lists. Currently the Reservation Rules do some, but not all, of these things.

F. BORROWING. The Reservation Rules currently permit Owners to borrow Points from the next Use Year for use in the current Use Year, subject to certain limitations.

G. TRANSACTION FEES. The Reservation Rules may require that the Owners pay Transaction Fees. "Transaction Fees" are reasonable fees charged to an Owner by the Plan Operator and that relate to the manner in which an Owner uses his or her Points or use rights. For example, the Plan Operator may charge Transaction Fees (i) for making multiple reservations, (ii) for banking or borrowing Points or use rights, (iii) for canceling or changing reservations, (iv) for bonus week reservations and other special reservation or use requests, or (v) to cover the added housekeeping and reservation costs of permitting an Owner to use a Split Week or a Lock-Off Unit. The rules may require that these fees be paid in money or may be paid using Points. The current Transaction

Fees are shown in the SVN Fees Chart which appears in the Owner's Handbook, although they may change from time to time.

H. OTHER RESERVATION SYSTEM FEATURES. The Club Operator has the option, from time to time, to enter into one or more special exchange relationships with any entity other than an exchange company pursuant to which Club Members will have access to selected non-Club resorts and non-Club owners will have access to Club Units after one or more of the Home Resort Reservation Periods have expired. The Club Operator is not obligated to make any of these exchange programs available to Owners, and the Plan and the Owners are not obligated to participate in any of these programs unless the Association's board of directors consents. The Club Operator may delegate its authority to enter into special exchange relationships to the SVN Operator. In addition, as permitted by The Reservation Rules SVN Members may save their unused use rights or Points from one Use Year to the next (called "*banking*"), to let another SVN Member use some of their Points temporarily (called "*sharing*"), to reserve Use Periods that nobody else has reserved as of a certain period (which may not be more than 60 days) before the Check-In Day (called "*bonus use*"), or to rent Points from the SVN Operator.

I. CHANGES IN THE RESERVATION RULES. The Plan Operator may change the Reservation Rules from time to time in the manner and under the circumstances provided in them. Currently, the Reservation Rules can be changed in the sole discretion of the Plan Operator for any purpose, including permitting banking of Vacation Periods and creating SVN tiers. The Plan Operator must give notice of any change to the Owners. See the SVN Reservation Rules attached to the Starwood Vacation Exchange Company Disclosure Guide for details, particularly sections 8.3 and 8.5.

3.6. WHAT ARE MY USE RIGHTS?

During your Vacation Period, you have the exclusive right to use your Assigned Unit and the furnishings in it (the "Common Furnishings"). You also have the right to use (i) the common elements of the Condominium, (ii) the Master Association Amenities to the extent permitted under the Master Association Documents, and (iii) any Ka'anapali North Beach Amenities to the extent permitted under the Ka'anapali North Beach Documents. The Master Association Documents and Ka'anapali North Beach Documents are described in Exhibit A.

You must take care of your Assigned Unit and the Common Furnishings. You must leave them in good condition except for ordinary wear and tear. You must pay for any damage and any items that are lost or missing after your Vacation Period. You must also remove all personal effects at the end of your Vacation Period or you risk losing them.

You may reserve a Vacation Unit so that your children, parents, relatives, a friend, or just about anyone else (except a competitor of the Developer) can use it. You may also rent your Vacation Period. However, you cannot join a "rental

pool" or similar arrangement where your Vacation Period is placed together in a pool with other Owners' Vacation Periods and rented, or where rental income and/or expenses are shared in some other way.

You will be responsible for your guests and renters. You must pay any charges they owe to the Association if they do not pay them. For example, if they do not pay their long distance telephone charges, you must pay them. You will also be responsible for their misconduct and for any loss or damage that they cause.

Except for your Assigned Unit during your Vacation Period, you may not use or occupy a Vacation Unit or its furnishings. Likewise, except during your Vacation Period you may not use any of the common elements of the Condominium, the Master Association Amenities, or any Ka'anapali North Beach Amenities unless they are open to the general public or unless the Board decides to permit Day Use. "*Day Use*" means that Owners may come onto the Condominium at times other than their Vacation Period. Day Use is still subject to any limitations contained in the Condominium Documents, the Master Association Documents and/or the Ka'anapali North Beach Documents. The Plan Operator must limit Day Use so that it does not unreasonably burden or interfere with the use of the Condominium, the Master Association Amenities, or any Ka'anapali North Beach Amenities.

You may only use the Vacation Units as vacation lodgings. You may not use them for any commercial purpose.

Persons with handicaps or disabilities may keep specially trained animals in their Assigned Unit or elsewhere on the Condominium as permitted by the Condominium Documents, the Master Association Documents, or by law. No other pets or animals of any kind may be allowed or kept in any Vacation Unit or elsewhere on the Condominium except as explicitly provided in the Association Rules.

Anyone who fails to check out on time or who damages a Vacation Unit or its furnishings so that it cannot be used will be subject to sanctions, including eviction and payment of all damages resulting from the misconduct. Such a person must also pay an amount equal to twice the daily rental value of the Vacation Unit for each day or part of a day that it is unavailable.

3.7. WHAT SHOULD I KNOW ABOUT THE CLUB AND THE NETWORK?

The Club and SVN are described in more detail in the Starwood Vacation Exchange Company Disclosure Guide. You should make time to read it. Here are a few key points.

A. RESERVATIONS BY SVN MEMBERS. During the SVN Reservation Periods, SVN Members (not just Owners in this Plan) will be able to reserve a Vacation Unit in this Plan on a space available, first-come, first-served basis subject to the priority rights established in favor of each Owner and the reservation and exchange rules and regulations stated in any documents that govern SVN and any changes and additions

made to any of them from time to time (“SVN Documents”) and the Club Documents. Likewise, an Owner in this Plan will be able to reserve the use of SVN Units at other SVN Resorts subject to similar restrictions and limitations.

B. SVN POINTS. If you request a reservation of an SVN Unit other than a Vacation Unit in this Plan, the SVN Operator will convert your Club Points to SVN Points pursuant to the SVN Documents. For now, there is no difference between Club Points and SVN Points. This could change so that your Club Points may be worth more or fewer SVN Points at some future date. This would not affect your rights to make a reservation during the Home Resort Reservation Periods.

C. OTHER CLUB OR SVN RESORTS. New units or resorts may be included in the Club or the SVN program from time to time. Specific units and even whole resorts may be removed from the Club or SVN from time to time. Also, a member resort (including the Plan) may withdraw from the Club or SVN if its affiliation agreement expires or otherwise ends.

D. AFFILIATION AGREEMENT. The Association has entered into an agreement (the “Club Affiliation Agreement”) with the Club Operator. The Club Affiliation Agreement provides that the Plan and each Owner will be part of the Club.

Unless the Affiliation Agreement is terminated earlier, it will stay in effect until the Plan terminates. The Association may terminate the Club Affiliation Agreement whenever the Club Operator violates a material part of it and fails to cure its violation within the time permitted by the Club Affiliation Agreement or any longer time permitted by the Board. The Club Affiliation Agreement will also terminate automatically in certain other circumstances (for example, if the Condominium is not managed, operated, or maintained up to the Club Operator's standards, or in some cases if a party files bankruptcy).

The Club Operator and the SVN Operator have entered into a separate agreement (the “SVN Affiliation Agreement”). The Club Operator may assign its rights and duties under the Club Affiliation Agreement, and it has assigned some or all of them to the SVN Operator in the SVN Affiliation Agreement. The SVN Operator may assign its rights and duties under the SVN Affiliation Agreement. You should not purchase in reliance that the Club Operator or the SVN Operator will continue to operate the Club or SVN.

3.8. EXTERNAL EXCHANGE PROGRAM.

The SVN Operator has entered into a contract (an “Exchange Contract”) with Interval International, Inc. of Miami Florida (“Interval International”) to make its exchange program available to SVN Members. See the discussion of this in your Purchase Agreement.

3.9. SPECIAL RIGHTS OF THE DEVELOPER, THE CLUB OPERATOR, AND THE SVN OPERATOR.

The Developer is the Owner of all unsold Vacation Ownership Interests. The Developer's unsold Vacation Ownership Interests will be treated as though they had Floating Unit Use Rights and a Floating Vacation Period. The Developer generally has the same rights and duties as other Owners to reserve and use Use Periods for the Vacation Ownership Interests that it owns. Additionally, the Developer will have special use and other rights, called “Developer's Reserved Rights,” that other Owners do not. The Club Operator and the SVN Operator also have special rights. The special or reserved rights of the Developer, the Club Operator, and the SVN Operator are described in Exhibit C. You should understand, and by signing your Purchase Agreement, Buyer's Certification, and Deed, you accept and agree that the Developer, the Club Operator, and the SVN Operator have and may exercise and assign these special rights.

3.10. ENFORCEMENT OF OWNERS' RESPONSIBILITIES. As members of, and acting through the Association, the Owners have the right to enforce the Vacation Plan Documents. The Association may take any action permitted by the Vacation Plan Documents or by law. For example, it may try to stop any improper activity, suspend your rights as an Owner (such as your voting rights and your rights to make a reservation or an exchange), refuse to let you check in, charge a fine, or foreclose on and sell your Vacation Ownership Interest and use the money from the sale to pay your debts. The Association may also use your reservation rights to reserve a Vacation Unit, rent it, and then use the rent money to pay your debts to the Association. The Association may also take legal action. For example, it may file a lawsuit to collect money or seek a court order.

4. DESCRIPTION OF TIME SHARE UNITS, BUILDING, LOCATION, ETC.

4.1. LOCATION OF THE CONDOMINIUM. The Vacation Units now in the Plan, as well as those that may be added to the Plan later, are part of the Ocean Resort Villas North condominium. The Condominium is located on a wide sandy beach fronting on the Pacific Ocean. It is a fee simple condominium situated on 11.471 acres of land in Ka'anapali North Beach, on the Island of Maui (“Lot 101”). The address of the Condominium is 170 Kai Ala Drive, Lahaina, Maui, Hawaii 96761.

4.2. CONSTRUCTION AND PHASED DEVELOPMENT PLANS.

The Developer plans to develop the Condominium in stages. Each stage is called a “phase” or an “increment”. Each phase may include apartments and other improvements. The phases are described as follows:

PHASE 1. The first phase consists of five (5) buildings: Building 5, Building 6, the Pool Bar Building, the Keiki Club Building, the Parking Building, Courtyards 1 & 2, and related Improvements. The Courtyards contain pools, spas, and

various other amenities that are part of the Master Association Amenities.

- ◆ Building 5 is a six-story building. It has no basement. It is constructed principally of steel-reinforced concrete, aluminum, gypsum board, and glass. The building contains seventy-two (72) resort apartments.
- ◆ Building 6 is a six-story building. It has a partial basement consisting of a pool equipment room, service corridor and related Improvements. It is constructed principally of steel-reinforced concrete, aluminum, gypsum board, and glass. It contains seventy-four (74) resort apartments, one (1) full commercial apartment (the Master Association Apartment), and part of one (1) commercial apartment (Apartment 101). This phase also contained a small out-building, designated as the "Hale" on the condominium map, which was part of Apartment 101, however, the Developer has decided not to construct this building. This will be reflected when the "as built" plans for the Condominium are filed.
- ◆ The Pool Bar Building is a one-story building. It has no basement. It is constructed principally of concrete blocks, wood, aluminum, and gypsum board with a concrete slab floor. It is part of one (1) commercial apartment (Apartment 101).
- ◆ The Keiki Club Building is a one-story building. It has no basement. It is constructed principally of concrete blocks, wood, aluminum, gypsum board, and glass with a concrete slab floor. It is part of one (1) commercial apartment (Apartment 101).
- ◆ The Parking Building is a three-story structure. It also has a basement. It is constructed principally of steel-reinforced concrete. It contains no apartments.
- ◆ Phase 1 also includes three (3) marketing kiosks. Each consists of one story and none has a basement. They are constructed principally of concrete blocks, wood, and gypsum board.

PHASE 2. The second phase consists of Building 7 and related Improvements. Building 7 is a six-story building. It has no basement. It is constructed principally of steel-reinforced concrete, aluminum, gypsum board, and glass. The building contains seventy-one (71) resort apartments and a portion of one (1) commercial apartment (Apartment 101).

PHASE 3. The third phase consists of Building 8, Courtyard 3, and related Improvements. Building 8 is a six-story building. It has no basement. It is constructed principally of steel-reinforced concrete, aluminum, gypsum board, and glass. The building contains forty-one (41) resort apartments and a portion of one (1) commercial apartment (Apartment 101).

PHASE 4. The fourth phase, if it is constructed, is presently planned to consist of a Gazebo. The Gazebo is likely to be constructed principally of wood and gypsum board. It contains one (1) commercial apartment (the Gazebo Apartment

– Apartment 103). The Developer is not currently planning to construct the Gazebo Apartment, although this may change. If the Gazebo is constructed, it will be used for commercial purposes.

Note: Webcams may be in use in the common/amenity areas of the Condominium. Webcams provide a panoramic view of certain amenities (i.e. the pool area). These images may be viewed on a real time basis via the worldwide web/internet.

ORDER OF DEVELOPMENT. The Developer has completed construction of Phases 1, 2 and 3. No date has been set for construction of Apartment 103. The Developer has no obligation to build any phase beyond phases 1, 2 and 3. The Developer can develop later phases in any order that it wishes. It can also develop more than one phase at a time. The Developer can also divide a phase into separate smaller phases. The Developer may change its plan of development without the consent or approval of anyone else. For example, the Developer may choose to speed the construction of one building or slow construction of another. The Developer's current plans call for about 258 resort apartments to be located in the Condominium. In no case can the Developer create more apartments than allowed by the Special Management Area Permits for the Condominium.

STATUS OF CONSTRUCTION. Construction of Phases 1, 2 and 3 are complete.

4.3. APARTMENTS. Although the Condominium Documents may divide the apartments differently, for purposes of the Vacation Ownership Plan, the apartments included in the Plan at the outset fall into one of three Unit Types: Two Bedroom Island Villas, Two Bedroom Ocean Villas, and Two Bedroom Ocean Front Villas. They are described as follows:

A. "Two Bedroom Island Villas" have one master bedroom, one combination bedroom and living area, two bathrooms, a combination living room and dining area, a kitchen, two foyers and two lanais. These apartments have an interior area of about 1,214 to 1,507 square feet plus lanais totaling about 113 to 244 square feet, for a total area of about 1,328 to 1,672 square feet.

B. "Two Bedroom Ocean Villas" have one master bedroom, one combination bedroom and living area, two bathrooms, a combination living room and dining area, a kitchen, two foyers and two lanais. These apartments have an interior area of about 1,228 to 1,304 square feet plus lanais totaling about 121 to 125 square feet, for a total area of about 1,349 to 1,429 square feet.

C. "Two Bedroom Ocean Front Villas" have one master bedroom, one combination bedroom and living area, two bathrooms, a combination living room and dining area, a kitchen, two foyers and two lanais. These apartments have an interior area of about 1,214 to 1,394 square feet plus lanais totaling about 113 to 167 square feet, for a total area of about 1,327 to 1,559 square feet.

Note: The floor areas for the resort apartments are all approximate and may change during construction. The Developer makes no representations or warranties as to the actual area of any particular apartment. The exact areas of particular apartments are likely to vary. Apartment areas are calculated on the basis of the requirements of the regulations adopted by the Hawaii Real Estate Commission pursuant to the Hawaii Condominium Property Act. They may differ from areas calculated by reference to the actual apartment boundaries.

4.4. UNITS IN THE PLAN. The Developer may add more apartments to the Plan at any time and without the consent of any Owner or anyone else. The Developer is not promising to add more apartments to the Plan. The Developer may also remove apartments from the Plan so long as the Developer owns all of the Vacation Ownership Interests in them.

When the Developer adds apartments to the Plan, it may create new Unit Types or new kinds of Vacation Ownership Interests. If the Developer creates a new Unit Type or new kinds of Vacation Ownership Interest, or if the Developer owns all of the Vacation Units of a particular Unit Type, then the Developer may change the Vacation Plan Documents with respect to that Unit Type. For example, the Developer could create new kinds of Vacation Ownership Interests that give the Owners of them the first chance or the exclusive right to reserve certain Vacation Units.

These rights of the Developer are subject to certain limits. For example, the Developer cannot change the rights of existing Owners to reserve and use the Vacation Units already included in the Plan (except for Vacation Units owned entirely by the Developer). And the Developer cannot give more than one vote to any new kind of Every-Other-Year Vacation Ownership Interest, nor more than two votes to any new kind of Every-Year Vacation Ownership Interest.

4.5. MASTER ASSOCIATION. The Developer developed the Ocean Resort Villas condominium located next door to this Condominium. It has about 280 resort units and several pools, pool decks, a water-slide, and various other amenities. The Developer also may develop hotels or other condominium, vacation ownership, time share, or fractional ownership projects in Ka'anapali North Beach. The Developer decided to provide a way for the owners and occupants of the Condominium and some or all of the other projects to share the use of certain amenities located on the grounds of this Condominium, the Ocean Resort Villas condominium, and perhaps other projects (the "*Master Association Amenities*"). The Developer also wants to be sure that the amenities and landscaping of the Condominium, the Ocean Resort Villas condominium, and perhaps some other projects provide a similar or complementary vacation ambience consistent with a first class destination resort, and that they can be updated and enhanced over the years to keep up with modern trends for first class destination resorts. And the Developer wants to be able to use these amenities for its own purposes. For example, it wants to be able to do these things:

- It wants to be able to show the amenities and the grounds to persons who might buy an apartment or Vacation Ownership Interest or Fractional Ownership Interest in the Condominium or an apartment, time share interest, or fractional interest in other Ka'anapali North Beach projects.
- It wants to be able to offer activities to these prospective purchasers.
- It wants to be able to establish booths or concessions for the sale of food, beverages, tourist activities or other incentives intended to encourage prospective purchasers to attend a sales presentation.
- It wants to be able to conduct receptions for purchasers and prospective purchasers for the purpose of promoting the sales of apartments or Vacation Ownership Interests, or Fractional Ownership Interests in the Condominium or apartments or time share interests or fractional interests in other Ka'anapali North Beach projects.

To accomplish these things, the Developer created the Ocean Resort Master Association, a non-profit corporation, and a special apartment called the "*Master Association Apartment*." The Developer intends to deed this apartment to the Master Association. The amenities and most landscaping of the Condominium are limited common elements for that apartment. These include, for example, the various waterfalls, swimming pool, koi ponds, spa, pool decks, pool bathrooms, beach and pool showers, among other things. They also include most of the landscaping and grounds of the Condominium. The Developer created a similar apartment in the Ocean Resort Villas and deeded that apartment to the Master Association.

This means that the Master Association will control most or all of the amenities and landscaping of the Condominium and the Ocean Resort Villas. It also means that persons who are not Owners or occupants of the Condominium may have the right to use these amenities. Each Owner will also be a member of the Master Association and may use the amenities as permitted by the documents that established and that govern the Master Association. These documents, called the "*Master Association Documents*", are listed in Exhibit A.

The Master Association Documents require that each Owner pay a share of the costs to operate, maintain, repair, replace, change, and upgrade the Master Association Amenities and other Master Association property, and the costs to operate and maintain the Master Association. All other Master Association Members must also pay a share of these costs as provided in the Master Association Declaration. Each owner of a resort apartment (including Owners of Vacation Ownership Interests and Fractional Ownership Interests) must pay the fees, charges, and expenses charged by the Master Association in accordance with the Master Association Documents. Because the Owners of the Condominium's commercial apartments will not be participating in the Master Association, they do not generally have the right to use the Master Association Amenities and

they will not share in the costs of owning, operating, and maintaining the property owned by the Master Association. The Developer and the owner of Apartment 101, however, have certain easements to use the Master Association's property.

The Developer has the right to add to the Master Association Amenities any amenities located on any other project participating in the Master Association, but the Developer does not promise to do so. The Master Association has the rights stated in the Master Association Declaration to add, continue, change or remove any of the Master Association Amenities. This includes the right to change any Master Association Amenities located on the Condominium. For example, it may install, change and remove landscaping, waterfalls, ponds, streams, foot bridges, benches, tiki torches, walkways, water slides, and pools. It may add new amenities, remove or change old ones, and so on. The Master Association also maintains certain on-site and off-site landscaping and storm water runoff drainage facilities serving the Condominium and/or the Ocean Resort Villas condominium located next door to the Condominium (at Six Kai Ala Drive) and possibly other properties. Although these are maintained by the Master Association, they serve the entire Condominium and so the Owners of the commercial apartments must pay a share of the costs.

4.6. KA'ANAPALI NORTH BEACH. The Condominium is part of a larger community known as Ka'anapali North Beach. The former owner of the land of the Condominium recorded the Declaration of Covenants, Conditions, Easements and Restrictions for Ka'anapali North Beach (the "*Ka'anapali North Beach Declaration*") against all of the lands in Ka'anapali North Beach to ensure that such lands would be used and developed in accordance with the standards and restrictions described in the Ka'anapali North Beach Declaration. The Ka'anapali North Beach Declaration applies to the Condominium and to all owners of apartments, time share interests, or other interests in the Condominium.

The Ka'anapali North Beach Declaration provides for the use, administration, repair and maintenance of the "Common Area." This includes two parks, a roadway, an area set aside for public open space, and so on. It also provides for the implementation of a monitoring program for Hawksbill turtles in the Shoreline Setback Area. These functions will be performed by the Ka'anapali North Beach Master Association, Inc., a non-profit Hawaii corporation (the "*Ka'anapali North Beach Association*") whose members consist of the owners of the lands in the Ka'anapali North Beach Area.

Each owner of an apartment, Vacation Ownership Interest, or Fractional Ownership Interest in the Condominium will be a member of the Ka'anapali North Beach Association. Members may use the Common Areas of Ka'anapali North Beach subject to the conditions and restrictions imposed by the Ka'anapali North Beach Declaration, rules and regulations adopted by the Ka'anapali North Beach Association, and other documents and laws. The Condominium Association, not the individual apartment owners, has the right to vote in the Ka'anapali North

Beach Association. The Condominium Association must pay the amounts charged to it by the Ka'anapali North Beach Association. Those amounts will be a common expense of the Condominium and each Owner will pay a share of it.

4.7. KA'ANAPALI NORTH BEACH / WEST MAUI BENEFIT FUND. The Developer in cooperation with The West Maui Preservation Association, a Hawaii non-profit corporation, has established or will establish a community fund to be called the "North Beach/West Maui Benefit Fund (the "*Benefit Fund*") by means of a trust agreement or other appropriate entity or entities. The Benefit Fund will be controlled by a Board of Trustees or Board of Directors (the "*Benefit Fund Board*"). The Developer does not own the Benefit Fund or control the Benefit Fund Board. The Benefit Fund will be used for designated improvement projects, including land acquisition, improvement of coastal resources, roadway improvements and other appropriate benefits to the North Beach/West Maui area and community, as determined by the Benefit Fund Board in its sole discretion, and for certain other expenses such as the costs of defending any claims brought against The West Maui Preservation Association, or relating to the Benefit Fund or any projects approved by the Board.

The Association will make a yearly contribution to the Benefit Fund. The initial amount of the yearly contribution will be Ten Dollars (\$10) for each Every-Year Vacation Ownership Interest, and Five Dollars (\$5) for each Every-Other-Year Vacation Ownership Interest, sold and closed by the Developer as of January 1 of the year in which the contribution is made. The Association's contribution for each Every-Other-Year Vacation Ownership Interest must be paid in each year, even if the Owner of the Vacation Ownership Interest has no use rights in that year. The amount of the yearly contributions shall be adjusted each year by an amount equal to the percentage increase in the Consumer Price Index All Urban Consumers for Hawaii/City and County of Honolulu published by the Department of Labor, Bureau of Labor Statistics (the "*Benefit Fund CPI*") over the 12-month period from July 1 to June 30 of the preceding calendar years for which such contribution is due, but not more than five percent (5%) in any one year. The amount of the yearly contribution may only be adjusted upwards; it cannot be adjusted downward.

The yearly contributions will be suspended when the Benefit Fund reaches \$2 million, but contributions will resume when the amount in the Benefit Fund falls below \$1.5 million. The Developer and the Plan Manager have the right to receive the Benefit Fund's financial statements upon request. The financial statements will show the current balance held in the Benefit Fund together with a listing of all disbursements made out of the Benefit Fund during the prior 12-month period.

4.8. NO WARRANTIES. The Seller is the Developer of the Condominium but it is not related to the general contractors who built the buildings.

The Condominium consists of fully built and existing buildings, and all warranties have now expired.

Except for the warranty of title in your deed, the Developer makes no warranties, express or implied, about your Vacation Ownership Interest(s), the apartments, the Condominium, the Master Association's property, or anything installed or contained in the apartments, the Condominium, or the Master Association property. This includes, but is not limited to, warranties of merchantability, habitability, workmanlike construction, fitness for a particular use or sufficiency of design. THE PROPERTY IS TRANSFERRED TO YOU "AS IS" AND WITH ALL DEFECTS, WHETHER VISIBLE OR HIDDEN, AND WHETHER KNOWN OR NOT. This means, among other things, that Developer does not have to correct or fix any defect no matter what causes it or when it is discovered.

You also give up (or, in legal terms, "waive and release") all rights and claims against the Developer and its officers, directors, agents and employees for (i) any defects in the apartments, the Condominium, the Master Association's property, or anything installed or contained in the apartments, the Condominium, the Master Association's property, and (ii) for injury to persons or property arising from any such defects. This means that the Developer will not have to pay for any injury or damage to people or things as a result of any defect.

Finally, without limiting the other parts of this Section 4.8, the Condominium Map is not intended to be and does not create any representation or warranty by the Developer.

4.9. HAZARD AND LIABILITY INSURANCE.

You should read Chapter 15 of the Vacation Plan Declaration and Section 13 of the Condominium Declaration for a discussion of insurance coverages that the Association and the Condominium Association are supposed to have. Although the Association will attempt to obtain these coverages, it may obtain less insurance if certain coverage is not reasonably available or if the Board decides that it is too expensive. The following is a brief summary of the coverages required by the Condominium Documents and/or the Vacation Plan Documents:

A. PROPERTY INSURANCE. The Association or the Condominium Association must buy a policy of property insurance that covers fire, lightning, windstorm and hail, smoke, explosion, riot, civil commotion, aircraft and vehicle damage, and so on. If it is available at a reasonable cost, the insurance must cover 100% of the cost of replacing the property (except for things like the foundation) without deductions for depreciation.

B. LIABILITY INSURANCE. The Association or the Condominium Association must buy a commercial general liability insurance policy and, if necessary, commercial umbrella insurance. The policy must cover all Owners, the Board, the Association, the Developer, the Managing Agent, the Plan Manager, and their officers, directors, agents, and employees against claims for personal injury, bodily injury, death, and property damage. The policy limits must not be less than \$3,000,000 for personal injury, bodily injury and death, and \$1,000,000 for property damage.

The Association must also buy a commercial automobile liability policy of insurance if the Association owns or leases any motor vehicles. The policy limits may not be less than \$1,000,000 for bodily injury or death or property damage arising out of a single accident or occurrence.

You should note that the insurance policies are subject to various deductibles and that the Association and the Condominium Association may decide not to create reserves to pay the amount of the deductibles. If there is a loss, the Association or the Condominium Association may have to pay the amount of the deductibles from other funds.

You should review (or have a qualified insurance agent review) the insurance requirements stated in the Vacation Plan Documents, the Condominium Documents, the Master Association Documents and/or the Ka'anapali North Beach Documents, as well as the policies obtained by the various associations, to decide whether or not to buy more insurance for yourself. You are free to do so. You and the various associations are also free to buy insurance from any company licensed to do business in the State of Hawaii. Since insurance is the responsibility of these associations and the individual Owners, the Developer makes no guarantee that insurance will be available, or available at a reasonable cost, or adequate.

4.10. ADDITIONAL INFORMATION.

A. The property is located in a tsunami inundation area. It is also located in a flood zone and flood control measures may be required. The Condominium Documents require that the Condominium Association maintain a policy flood insurance that complies with the requirements of the National Flood Insurance Program and the Federal Insurance Administration.

B. The Condominium is subject to certain public access requirements providing access to the beach in front of the Condominium. The Condominium is also subject to a 150 foot setback from the ocean. Certain areas in the Shoreline Setback Area (as that term is defined in the Condominium Documents) have been designated and must be preserved as wetlands.

C. The County of Maui has not made a determination as to whether any portions of the Condominium may contain historical sites.

D. The developer entered into an agreement dated September 28, 2004, with The West Maui Preservation Association, a Hawaii non-profit corporation, a short form of which was recorded as Document No. 3242967. The agreement is binding on the Developer and on future owners, including Owners of Vacation Ownership Interests. The agreement requires, among other things, (i) construction and maintenance of certain off-site and on-site drainage systems and improvements incorporating best management practices and sufficient on-site and off-site storm water retention capacity; (ii) the drafting and implementation of a water quality management program incorporating best management

practices, and the periodic monitoring of near shore ocean waters; (iii) the drafting and implementation of a management program incorporating best management practices to control and mitigate erosion of, and other adverse effects upon, the sand dunes fronting the Condominium and adjacent parcels or portions thereof; (iv) the construction of certain improvements in the "Public Open Space / Recreation Area" located on property adjacent to Lot 2; and (v) the developer's obligation to impose certain financial obligation upon the Association. Some of these obligations will continue to apply to the Condominium even after the Developer has completed construction of the initial improvements. This means that the Condominium Association, and each of the apartment owners (including Owners of Vacation Ownership Interests) will have to pay the ongoing costs of complying with this agreement.

E. Preliminary entitlements, such as a special management area permit, have been granted for the development of a proposed 700 unit condominium, hotel and townhouse project on a nearby parcel. The construction of the 700-unit project may create and cause noise, dust, soot, smoke, odors, surface water runoff, vibrations, and other nuisances or hazards. The Developer is not responsible in any way for such development.

F. The Developer has registered phases 1, 2 & 3 of the Condominium with the Hawaii Real Estate Commission. The Real Estate Commission has issued an effective date for a Contingent Final Public Report on each of these phases. These reports (one report with an effective date of May 17, 2005 covers phase 1, and a separate report with an effective date of December 20, 2005 covers phases 2 and 3) each expire nine months after their respective effective dates. If and only if (i) your Purchase Agreement was made before the the Hawaii Real Estate Commission issues an effective date for a Final Condominium Public Report on the phase in which your Unit is located, and (ii) the Hawaii Real Estate Commission does not issue an effective date for a Final Condominium Public Report on that phase by the date on which the Contingent Final Public Report for that phase expires, then both you and the Developer will have the right to rescind (cancel) your Purchase Agreement and the Developer will notify you in writing of this right. If either party rescinds the Purchase Agreement, the Escrow Agent will refund your Funds together with all interest earned on your funds.

5. (MULTIPLE LOCATION TIME SHARE PLAN)

Not applicable. The Plan includes only units in the Condominium.

6. TIME SHARE PLAN IN A CONDOMINIUM

6.1. CONDOMINIUM LEGAL STRUCTURE.

The Vacation Ownership Plan is located in the Ocean Resort Villas North Condominium. The Condominium was created

when the Condominium Documents were recorded (officially filed) in the real estate records of the State of Hawaii. The Condominium Documents are listed in Exhibit A.

The Condominium Property Act (Chapter 514A, HRS) and the Condominium Documents control the rights and obligations of the apartment owners with respect to the Condominium and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law. Each apartment owner (including each Owner of a Vacation Ownership Interest) must obey the Condominium Documents.

The Condominium Documents divide the Condominium into apartments and common elements. "*Common elements*" means all parts of the Condominium except for the apartments. For example, the land of the Condominium is a common element. So are the driveways and the Parking Building. Some common elements are set aside for the use of particular apartments. These are called "*limited common elements*." The limited common elements are described in section 5.4 of the Condominium Declaration. For example, 170 of the parking stalls have been designated as limited common elements of Apartment 101. Most of the common elements in or that are part of Buildings 5, 6, 7 and 8 are limited common elements of all resort apartments. Although commercial apartments 101 and 102 must pay a share of the costs of Building 6, most of the costs of Building 6 are allocated to the resort apartments, which include all of the Vacation Units. Similarly, while the owner of commercial apartment 101 must also pay a share of the costs of Buildings 7 and 8, most of the costs of these buildings are allocated to the resort apartments. Apartment 101 and the Master Association Apartment each have particularly extensive limited common elements. In fact, the Master Association controls most of the landscaping (except the 150 foot shoreline setback area) and the pools, pool deck, and various other amenities. Apartment 101 has most of the storage rooms, the telephone equipment rooms, and certain kiosks that the Developer can use for marketing and other purposes.

Each apartment comes with an ownership share, called a "*common interest*" in the common elements. This means that the owners can own their own apartments separately but that all of the apartment owners own the common elements together. The common interests for the Vacation Units are shown in Exhibit B.

The Association of Apartment Owners of Ocean Resort Villas North is an unincorporated association of the owners of apartments in the Condominium. It is responsible for the management of the common elements and the overall operations of the Condominium. Each owner of an apartment in the Condominium (including Owners of Vacation Ownership Interests in the Plan) is a member of the Condominium Association.

The apartment owners elect a board of directors to manage the Condominium. The board of directors is the governing body of the Condominium Association. Unless you serve as a board member or an officer, or are on a committee appointed by the

board, your participation in the administration and operation of the Condominium will in most cases be limited to your right to vote as an Owner. The board of directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

The board of directors hires a Managing Agent to provide essentially all management services needed by the Condominium Association. The Developer has appointed the initial Managing Agent of the Condominium and it is the same company that serves as Plan Manager of the Plan.

Common expenses of the Condominium are divided among the apartments according to their common interests as are voting rights. The term "*common expenses*" means the expenses of operating the Condominium and all other amounts designated as common expenses under the Condominium Documents or under the Hawaii Condominium Property Act. Note that under the Hawaii Condominium Law, charges for common expenses to an apartment do not begin until the County issues a certificate of occupancy for that apartment.

Each apartment owner (including each Owner of a Vacation Ownership Interest) is responsible to pay the common expenses for his or her apartment. The Condominium Association has a lien on each apartment to secure payment of that apartment's share of the common expenses. If the common expenses are not paid, an apartment can be taken from its owners and sold by foreclosure. The Condominium Association can also sue the apartment owners for the amounts due.

The Condominium Association and its Managing Agent may enter any apartment as needed to operate the Condominium or to make emergency repairs.

In Condominium Association meetings or votes, the Ocean Resort Villas North Vacation Owners Association must cast the vote of each Vacation Unit unless Owners of a majority of the votes for Vacation Ownership Interests in that Vacation Unit elect to cast the vote for their apartment themselves.

The Developer has various special rights, called the "*Developer's Reserved Rights*", under the Condominium Documents. These are described in Exhibit D. You should understand, and by signing your Purchase Agreement, Buyer's Acknowledgment, and Deed, you accept and agree that the Condominium Developer has and may exercise and assign these special rights.

6.2. USE OF THE CONDOMINIUM APARTMENTS. The Condominium Declaration divides the apartments into commercial apartments and resort apartments.

A. The resort apartments may be occupied and used as a permanent or temporary residence or for hotel or transient vacation rental purposes. They may also be used in a time share plan or fractional plan if the Developer creates the plan or if it authorizes or consents to that use in a recorded document.

The resort apartments and their limited common elements must not be used to carry on any business, trade or profession, or for the sale of any articles or goods. Except for the Developer, no owner or occupant of a resort apartment can bring clients, customers or other business invitees onto the premises on a regular basis for business purposes.

B. The commercial apartments may be operated and used for any purpose permitted by law. Any part of apartment 101 located in a building containing resort apartments (and any apartments that were originally part of apartment 101 and that are located in a building containing resort apartments) may be configured for use as resort apartments and then used as time share units in a vacation plan, or as units in a fractional plan if the developer creates the plan or if the developer authorizes or otherwise consents to that use in a recorded document.

C. Notwithstanding the things stated above, nobody except the Developer can use the Condominium or any part of it: (1) for the promotion or sale of time share interests or other vacation interests or fractional interests, whether directly or indirectly, or (2) for the operation of a tour or activity desk or any other business that directly or indirectly promotes the sale of time share interests or other vacation interests or fractional interests.

6.3. EASEMENTS. "*Easement*" is a legal term. In general, it refers to the right of one person to use property in the possession of someone else. The Condominium Documents create various easements. Some of them can be summarized as follows:

A. The Shoreline Setback Area is subject to an existing easement. This easement requires that the Shoreline Setback Area remain open and available to the public as open space, for recreational access and passive recreational uses, and for Native Hawaiian use for traditional and customary uses of the shoreline and near-shore ocean waters. The Native Hawaiian uses include fishing, diving, ho'okupu ceremonies (ritual prayers on the shoreline) and gathering.

B. Employees, customers, and so on, of a commercial apartment, can come onto the Condominium, park in unassigned parking stalls, make deliveries, make casual use (such as after dinner strolls) of the walkways, and do other things reasonably necessary in connection with the ordinary conduct of business operations.

C. Persons authorized by the Master Association may come onto the Condominium as necessary or convenient to use, operate, maintain, add to, install, or replace the Master Association's properties. They may also park in unassigned parking stalls, make deliveries, and use the Shoreline Setback Area and any other recreation areas and facilities adjacent to the beach (e.g., showers).

D. The Developer and persons authorized by it may use the limited common elements of the Master Association Apartment to conduct educational, cultural, entertainment or

sporting events, and other activities of general community interest.

E. The Developer and persons authorized by it have the *exclusive* right and an easement to conduct marketing and sales activities (which may be extensive) on the common elements (including but not limited to the limited common elements of the Master Association Apartment) and from any apartment owned by it. This right includes but it is not limited to the right to permit purchasers and prospective purchasers to come onto the project and to park in unassigned parking stalls, the right to show the project to those persons, the right to use apartments owned by the Developer as model apartments, sales, management, and/or administrative offices, the right to establish and operate tour or activity desks or other businesses intended to promote sales, and the right to use banners, signs or other extensive sales displays and activities at the Condominium.

This easement applies to activities conducted in connection with the initial sale and/or any resale of (i) one or more apartments, Vacation Ownership Interests and/or Fractional Ownership Interests in the Condominium, and (ii) one or more apartments, time share interests and/or fractional interests in any Adjacent Projects (meaning project located on any Adjacent Parcel).

F. The Developer and persons authorized by it have an easement as may be reasonably necessary or convenient to complete any improvements and to correct any defects and other punchlist items in the common elements or any apartment or to use any of the other Developer's Reserved Rights.

G. The Owner of Apartment 101 has the exclusive right (but no duty) to provide (i) bellhop service, (ii) room service, (iii) valet parking service, and (iv) food and beverage services in the Courtyards of the Condominium.

H. The Developer and the Master Association have the right (but no duty) to operate one or more children's programs. They may make these programs available to children of Owners, occupants, other Master Association Members and occupants of their property, potential Master Association Members, and guests of any of these persons. The programs may involve use of the amenities of the Master Association or the Condominium, the Shoreline Setback Area (subject to the requirements of the SMA Permits), and the beach.

I. The Developer and persons authorized by it have an easement to create and cause noise, dust, soot, smoke, odors, surface water runoff, vibrations, and other nuisances or hazards in connection with (a) the use of its other easement rights, (b) the development of any Adjacent Parcel, or (c) the use of the Developer's Reserved Rights or any other rights of the Developer described in the Condominium Declaration.

J. The Developer has the right to establish, operate and maintain in the Shoreline Setback Area no more than three

beach or beach side (meaning on the parts of the Condominium near the beach) concession stands. (The Developer also has the right to additional concession stands in the Courtyards and the other limited common elements of the Master Association Apartment.)

K. The Master Association Apartment has an easement over, under, across and through the Condominium for the purpose of designing, installing, constructing, using, maintaining, repairing, replacing, relocating, realigning, removing, and otherwise dealing with underground drainage lines and related improvements (the "Drainage Improvements") serving the Condominium and/or any Adjacent Parcel and to connect the Drainage Improvements to the retention basins shown on the Condominium Map and/or to drainage lines and related improvements of any Adjacent Parcel including but not limited to the Ocean Resort Villas condominium located next door to the Project.

L. Both the Developer and the Association have certain rights to create, grant, accept, change, or otherwise deal with easements in favor of the Condominium, and easements over, under or through the Condominium in favor of others or their property.

Each person who has any interest in the Condominium (i) understands, acknowledges and accepts that some or all of these easements activities may result in noise, dust, soot, smoke, odors, surface water runoff, vibrations and other nuisances and hazards, (ii) consents to this activity, and (iii) gives up (in legal terms, "waives, releases and discharges") any rights, claims or actions that he or she may have, now or in the future, against the Developer and various other persons. Each Owner and every other interested party assumes the risk of any property damage, personal injury or loss in property value arising from the exercise of these easements.

7. RESTRAINTS ON TRANSFER OF BUYER'S INTEREST

7.1. UNDER THE VACATION PLAN DECLARATION.

A. **GENERAL RULE.** One of the many benefits of owning a Vacation Ownership Interest is that you can transfer it to your children, a friend, or just about anyone else. Because it is a real estate interest, you can also mortgage your Vacation Ownership Interest. If you own more than one Vacation Ownership Interest, you may transfer or mortgage each of them separately. However you cannot transfer or mortgage less than an entire Vacation Ownership Interest. There are two exceptions (i) you can pledge or transfer your voting rights to a lender having a mortgage on your Vacation Ownership Interest (or for whom someone else holds a mortgage on your Vacation Ownership Interest); and (ii) the seller under an agreement of sale may retain legal title and the right to vote on certain matters. The Buyer may transfer his or her entire interest under the agreement of sale, but nothing less. The Association has a

lien on each Vacation Ownership Interest for all amounts charged to it or to its Owner. This is discussed in Section 12.

B. NOTICE OF TRANSFER. The Vacation Plan Declaration requires that notice of any transfer must be given to the Association. If notice is not given, neither the Association nor the Plan Operator have to recognize the transfer, and the person making the transfer will remain liable to the Association for charges for the Vacation Ownership Interest. The Association and the Plan Operator may charge a reasonable service charge to register the change in ownership on their records.

7.2. WHEN THE DEVELOPER'S CONSENT IS REQUIRED.

A. The Developer's consent is required if you want to transfer your Purchase Contract before Closing, or to transfer a Vacation Ownership Interest that is mortgaged to the Developer. If the Developer assigns the mortgage to someone else, that person's consent will also be necessary.

B. Without the Developer's written consent, you cannot transfer, lease, rent, or otherwise contribute your Vacation Ownership Interest or its use rights, Points or Vacation Period to (i) another vacation ownership or time share plan or program, (ii) a fractional ownership plan, or (iii) a Competitor of the Developer (but this does not prevent an Owner from participating in a "Traditional Exchange Program", as that term is defined in the Vacation Plan Documents, or any Exchange Program available through the Club Operator or the SVN Operator). Any attempt to do so will not be effective; it will be void. The Developer may withhold its consent in its sole discretion. Also, Competitors of the Developer are not allowed to own any interest in the Property. If a Competitor acquires any interest in a Vacation Ownership Interest without the Developer's consent, or if anyone who has any interest in a Vacation Ownership Interest becomes a Competitor without the Developer's written consent, that interest will return to the Developer automatically. The Developer may withhold its consent in its sole discretion.

A "Competitor" is anyone who is: (i) a developer, marketer, sales agent (including but not limited to any OPC), or manager of another time share plan or fractional ownership plan; or (ii) an exchange company other than the Club or SVN; or (iii) anyone collaborating with anyone listed in items (i) or (ii). The Developer may cancel your Purchase Contract if you are a Competitor.

C. RIGHT OF FIRST REFUSAL TO PURCHASE. If you receive an offer to buy (the "Offer to Buy") your Vacation Ownership Interest and if you want to accept it, you must first notify the Developer before accepting the offer and must provide a complete copy of the Offer to Buy. The Developer will then have the right and an option to buy your Vacation Ownership Interest at the same price and on the same terms contained in the Offer to Buy. If the Developer decides to buy it, then the Developer will send you written notice of that decision within ten (10) business days after the

Developer receives your notice of the Offer to Buy. The Developer's notice will create a binding contract between you and the Developer to buy your Vacation Ownership Interest on the terms stated in the Offer to Buy (subject, however, to a reasonable extension of the closing date). If the Developer does not send notice of its decision to buy the Vacation Ownership Interest within the ten (10) business day period, then you may sell your Vacation Ownership Interest to the person who submitted the Offer to Buy. If the Offer to Buy is changed in any way (for example, a reduction in the price, a change in the Buyer or an assignment of the Buyer's rights to someone else), or if the sale does not close within ninety days, then the Offer to Buy will be considered a new Offer to Buy and you must re-submit it to the Developer and the requirements of this section will apply again. If the Developer chooses not to buy the Vacation Ownership Interest, this will not constitute consent by the Developer of a sale or other transfer of the Vacation Ownership Interest to a Competitor.

8. MUTUAL RECISSION PROVISION

You and the Developer both have the right to cancel your Purchase Contract without penalty by giving the other party written notice within seven calendar days after: (1) signing the contract; or (2) you receive this disclosure statement, whichever is later. The seven-day period is called the "Seven-Day Cancellation Period". You will receive a form of Notice of Cancellation [Form TS-10 of the Department of Commerce and Consumer Affairs of the State of Hawaii ("DCCA")] with all pertinent information filled in at the time that you sign your Purchase Contract. If you cancel, then, within 15 business days all of your payments must be returned to you.

9. TITLE DEFECTS OR ENCUMBRANCES

"Encumbrances" are interests in or claims on property held by someone other than the owner of that property. They also include duties imposed by certain documents that affect the property and its owner. For example, a document giving the telephone company a right to install telephone lines across the land of a resort is an encumbrance.

Your Vacation Ownership Interests will be deeded to you subject to the encumbrances listed in Exhibit A and to (i) any mortgage signed by you, and (ii) any other encumbrances that do not make your title unmarketable. These are called the "Permitted Encumbrances."

The Condominium Documents, the Master Association Documents, and the Vacation Plan Documents are Permitted Encumbrances. The Developer has certain special and reserved rights, called the "Developer's Reserved Rights", under these documents. Some of those rights are described in Exhibits C and D. When you sign your Vacation Ownership Deed, you consent to, accept, approve, and make the agreements about the Developer's Reserved Rights as discussed in those exhibits. You also give to the Developer the right of first refusal

described in Section 7.2.C, above. These consents, acceptances, approvals, agreements, and the right of first refusal will also be encumbrances on your Vacation Ownership Interest. You should read your Vacation Ownership Deed and your Purchase Contract with care.

10. PENDING OR ANTICIPATED SUITS

Not applicable. There are now no suits pending or anticipated that are material to the Vacation Ownership Interests or the Plan of which the Developer has or should have knowledge.

11. FINANCIAL OBLIGATION OF PURCHASERS

11.1. PURCHASE OBLIGATION. You must pay the Purchase Price stated in your Purchase Contract. You may pay it at once in cash or over time on credit from the Developer. If you buy on credit then you must make monthly loan payments both before and after Closing. See your Truth-In-Lending Disclosure Statement for the annual percentage rate and other information. The Developer is not arranging, and has no duty to arrange, outside financing for any Buyer. If you buy on credit, you must pay all costs of the collection agent to whom your payments are made. You must also pay closing costs in the amount listed on your Purchase Contract as the "Administrative Fee". The Developer will pay all closing costs beyond that except that you must pay any title insurance premiums in excess of \$100. See Exhibit E for information about sales prices, installment purchase terms and closing costs. All amounts are in United States dollars. Be sure to ask about special purchase prices and terms that may be offered from time to time. The Developer has the right to change Exhibit E from time to time.

11.2. ASSOCIATION CHARGES. As an Owner, you must pay all amounts charged to you by the Association, the Condominium Association, and the Master Association. See Section 12.

11.3. ENFORCEMENT. You should be aware that if you do not pay or keep the promises you make in your Purchase Contract (or in any note and mortgage that you sign), the Developer may take any action permitted by the Purchase Contract (or note and mortgage) and allowed by law. Among other things, the Purchase Contract allows the Developer to keep any payments made by a Buyer who defaults, and the mortgage permits the Developer to foreclose. You should read these documents carefully.

12. ESTIMATE OF DUES, MAINTENANCE FEES, REAL PROPERTY TAXES, ETC.

ASSESSMENTS. After Closing, you must pay your Assessments and Personal Charges. The current amount of

assessments is shown in Exhibit F. Assessments are set in this way:

A. PLAN EXPENSES. The Association pays all costs of operating the Plan and maintaining, repairing and replacing the Vacation Property. These expenses are called "*Plan Expenses*". You and every other Owner must pay a share of the Plan Expenses. Among other things, these are Plan Expenses:

- ❖ The cost of utility services such as water, electricity, garbage disposal, telephone and cable television.
- ❖ The cost of repairing, rebuilding, replacing, remodeling, or making improvements to the Vacation Property.
- ❖ The cost of buying insurance required or permitted by the Vacation Plan Documents.
- ❖ All amounts charged to the Vacation Units by the Master Association, the Condominium Association or the Ka'anapali North Beach Association (except amounts separately charged to individual Owners). This includes, for example, the expenses of operating and maintaining the Condominium or the Master Association Amenities.
- ❖ A yearly contribution to the North Beach/West Maui Benefit Fund as described in Section 4.7.
- ❖ Any real property taxes and other government taxes and charges on the Vacation Units (except amounts separately charged to individual Owners).
- ❖ Amounts needed for the Reserve Accounts. These are savings accounts of the Association. The money is used to pay for Capital Improvements. "*Capital Improvements*" are things like replacing the carpeting or appliances, other major repairs and remodeling, or replacing the Vacation Units or Common Furnishings.
- ❖ Any amounts due from the Association under the Club Affiliation Agreement, including but not limited to the Annual Club Dues for each Owner (unless separately charged to the individual Owners).
- ❖ Housekeeping and cleaning fees, and other expenses necessary to maintain, repair, manage and operate the Vacation Property.

B. YOUR SHARE OF PLAN EXPENSES. Each Owner must pay a share of the Plan Expenses (called a "*Fair Share*"). Your Fair Share of Plan Expenses depends on the Unit Type of Your Unit. It works like this:

1) **Relative Valuation.** The Developer sets a Relative Valuation for each Unit Type. *Relative Valuation* refers to the idea that each Vacation Unit's share of the Plan Expenses should be based on a comparison of that Vacation Unit to other Vacation Units included in the Plan. While some time share plans compare the size of apartments to determine their share of the Plan's expenses, this does not necessarily

result in a fair division of maintenance fees among the apartments. For example, the cost of sending a newsletter or notice of an Association meeting to an Owner is the same regardless of the size of the Owner's unit.

As a result, the Developer has adopted a plan for dividing Plan Expenses among the Vacation Units based on their "Relative Valuation". The Developer determines a Relative Valuation for each Unit Type based on the size of the Vacation Unit, the estimated maintenance and expense burden, sleeping capacity, and other relevant factors as determined by the Developer in its sole discretion. The Relative Valuation for Vacation Units currently included in the Plan is listed in Exhibit B.

Note that Relative Valuation is not intended to reflect the fair market value of (i) Vacation Units that are a particular Unit Type, or (ii) Vacation Ownership Interests in Vacation Units of a particular Unit Type. The Relative Valuation for a Unit Type will not change based on changes in market conditions.

2) **Fair Share.** "Fair Share" means a share based on a comparison of the Relative Valuation of one Vacation Unit to the total of the Relative Valuations for all of the Vacation Units, as follows:

- ❖ The Fair Share for each Every-Year Vacation Ownership Interest in a Vacation Unit is 1/52nd of the following fraction:

$$\frac{\text{The Relative Valuation of that Vacation Unit}}{\text{The Sum of the Relative Valuations For All Vacation Units for Which Assessments Have Begun}}$$

- ❖ The Fair Share for each Every-Other-Year Vacation Ownership Interest in a Vacation Unit is 1/104th of the same fraction. In other words, the Fair Share for an Every-Other-Year Vacation Ownership Interest is one half of the Fair Share of an Every-Year Vacation Ownership in the same Unit Type. In addition, the Fair Share for an Every-Other-Year Vacation Ownership Interest will include a yearly service or bookkeeping fee in an amount set by the Board from time to time, and currently set to \$20.

3) **When Assessments Begin.** For any Vacation Unit, Assessments begin on the later of (i) first day of the month after a deed transferring a Vacation Ownership Interest in that Vacation Unit is recorded, or (ii) the date when the County of Maui issues a temporary or permanent certificate of occupancy for that Vacation Unit. From then on, the Owner of each Vacation Ownership Interest in that Vacation Unit, whether it is the Developer or someone else, must pay a Fair Share of the Plan Expenses.

C. **REGULAR ASSESSMENTS.** Every year, the Association adopts a budget showing the Plan Expenses for the coming year. The budget reflects Plan Expenses based on the property that is expected to be included in the Plan by the start of the coming year. Of course, the actual expenses may vary, especially as additional property is included in the Plan. A

copy of the current budget of Plan Expenses is attached as Exhibit G to this Disclosure Statement. You must pay your Fair Share of the Plan Expenses. This is called your "Regular Assessment".

D. **SPECIAL ASSESSMENTS.** If there is a shortfall in the budget or if the Vacation Property is damaged or destroyed, the Board may adopt a special budget to deal with the problem. You must pay your Fair Share of that budget. This is called a "Special Assessment".

E. **DEVELOPER SUBSIDY.** The Developer must pay Assessments on unsold Vacation Ownership Interests in Vacation Units for which Assessments have begun. Instead of doing so, however, the Developer may enter into a "Subsidy Contract" with the Association in which the Developer agrees to pay to the Association the difference between (i) the actual Plan Expenses incurred by the Association and (ii) the Assessments collected from Owners other than the Developer and all other amounts paid to the Association by anyone other than the Developer. The Developer does not have to pay, however, the amount of any Special Assessments for capital expenditures, insurance policy deductibles, underinsured losses, or uninsured losses.

F. **INITIAL PROGRAM EXPENSES.** The Regular Assessment will be \$1,621.31 per year for an Every-Year Vacation Ownership Interest and \$830.66 per year for an Every-Other-Year Vacation Ownership Interest. The regular assessments charged by the Condominium Association are \$596.82 for an Every-Year Vacation Ownership Interest and \$298.41 for an Every-Other-Year Vacation Ownership Interest and for the Master Association are \$256.52 for an Every-Year Vacation Ownership Interest and \$128.26 per year for an Every-Other-Year Vacation Ownership Interest. See Exhibits G, H, and I.

G. **PERSONAL CHARGES.** A "Personal Charge" is an expense not covered by Assessments. This includes expenses that result from the act, failure to act, or other conduct of an Owner, Occupant or an Occupant's Guest. It also includes charges for extra services requested or used by Owners, Occupants or their Guests. Personal charges include, for example:

- ❖ Food and beverage charges; telephone charges; extra housekeeping services.
- ❖ Charges for use or rental of sports supplies or other recreational equipment, or any amenities (for example, a spa) of the Condominium, the Master Association or Ka'anapali North Beach.
- ❖ The cost to repair any damage (except for ordinary wear and tear and unavoidable accidents) to Vacation Units or their furnishings, or to replace any missing items.
- ❖ Expenses to any other Owner or the Association due to a Person's intentional or negligent Act or failure to Act.

- ❖ Expenses resulting from any intentional or negligent violation of the Ka'anapali North Beach documents, the Master Association Documents, the Condominium Documents, or the Vacation Plan Documents.
- ❖ Costs of and charges, including fines, for enforcing the Vacation Plan Documents; and late charges and interest on, and all costs of collecting Assessments and Personal Charges, including court costs and legal fees.
- ❖ Any late charges and interest on overdue payments.
- ❖ So long as the Plan is part of the Club, any Club Fees charged to the Association or to any Owner by the Club Operator (except for Club Fees that are Plan Expenses).

An Owner is fully responsible for the Personal Charges of his or her Guests. An Owner is not responsible, however, for the Personal Charges of anyone who uses his or her use rights through an exchange program, including the Club and SVN.

H. OTHER FEES AND ASSESSMENTS. So long as the Plan is part of the Club, you must also pay any Club Fees charged to you by the Club Operator. So long as the Plan is part of the Club and the Club is part of SVN, you must pay any SVN Fees charged to you by the SVN Operator. These fees are Personal Charges. See the SVN Fees Chart which appears in the Owner's Handbook for details on Club Fees and SVN Fees. These amounts are current as of the date when this disclosure statement was issued, but the Developer reserves the right to change them without notice. You may opt out of the SVN program by signing an opt out agreement with the Club Operator that will terminate your membership and participation in SVN, but even if you do, you still must pay the Club Fees. The SVN Fee Chart also lists the Transaction Fees which you may be required to pay in certain circumstances.

In addition to your Fair Share of the Plan Expenses, you must also pay a share of the regular and special assessments charged to your Unit by the Condominium Association and the Master Association. The current amount of these assessments is shown in Exhibits H and I. These budgets are based on the construction of Buildings 5, 6, 7 and 8.

In the case of the Master Association, each unit for which assessments have begun pays a share of the Master Association expenses proportionate to the relative valuation of that unit as compared to the relative valuation of all Master Association units. A Vacation Owner pays 1/52nd (for an every-year Vacation Ownership Interest) or 1/104th (for an every-other-year Vacation Ownership Interest) of the amount charged to his or her Unit by the Master Association.

In the case of the Condominium, the costs of the limited common elements generally are charged to the apartments to which they are assigned. Because most parts of the buildings containing the resort apartments are limited common elements of the resort apartments, the resort apartments will pay for nearly all of the costs of those buildings. The commercial apartments located in Buildings 6, 7 and 8, however, pay a

share of the costs of those buildings in proportion to the square footage of their commercial apartment in the building as compared to the square footage of all apartments in the building. The remaining common expenses are divided among the apartments in proportion to their common interests. A Vacation Owner pays 1/52nd (for an every-year Vacation Ownership Interest) or 1/104th (for an every-other-year Vacation Ownership Interest) of the amount charged to his or her Unit by the Condominium Association

I. ENFORCEMENT OF FINANCIAL DUTIES.

To collect all money you owe, the Association may charge late fees and interest. It also has a lien on your Vacation Ownership Interest. It may foreclose on that lien and sell your Vacation Ownership Interest to someone else. If the money from the foreclosure sale is not enough to pay all amounts due plus legal fees and costs, you must pay the shortfall.

If you are in default, the Association may also refuse to allow you to make a reservation or to check in. It may also suspend services to your Vacation Unit or even file a lawsuit.

If you do not pay your Club Fees or SVN Fees, then the Club Operator and/or the SVN Operator may charge late fees and interest. Also, they will not process or confirm your reservation or exchange requests until you pay all amounts due. And they also may cancel any reservations that you are holding.

J. TAXES. The State of Hawaii taxes the occupancy of time share units. The amount of the tax is currently 7.25% of the fair market rental value. By law, the "fair market rental value" is currently set to one-half of the gross daily maintenance fees paid by the owner and attributable to the time share unit unless the taxpayer proves or the tax director determines that the gross daily maintenance fees do not fairly represent fair market rental value taking into account comparable transient accommodation rentals or other appraisal methods. Based on maintenance fees, the tax should be about \$90 for a one-week stay depending upon the Vacation Unit that you use. The State of Hawaii also charges a general excise tax on amounts collected by the Master Association or the Association, including Regular and Special Assessments, and Personal Charges. Although the tax rate is currently 4.0%, the charge for the tax will be higher (currently 4.166%) to ensure that the Association and the Master Association each receive the amount they need, net after taxes. The Vacation Units are subject to real property taxes levied by the County of Maui. The State of Hawaii may increase or decrease the occupancy tax and /or the general excise tax from time to time, and may extend the general excise tax to amounts collected by the Condominium Association. The County of Maui may increase or decrease real property taxes from time to time. The Developer makes no representations as to the taxes that may be charged by the County or State in the future.

13. ESCROW ACCOUNT

The Hawaii "Time Share Law" is contained in Chapter 514E, Hawaii Revised Statutes, and Chapter 16-106, Hawaii Administrative Rules. It requires that: (a) Buyer's Funds, Notes, and Loan Documents be put in escrow before closing and that the Buyer's Funds be refunded if the Buyer cancels as explained in Section 8 above; (b) Buyer's Funds must be refunded in the other circumstances explained in Section 14; and (c) Closing cannot occur until the Buyer is protected from Blanket Liens.

"Funds" means money. "Notes" means any "negotiable instrument" as defined in the Time Share Law. A check is an example of a negotiable instrument. A "negotiable instrument" generally is a document that the Developer could give to someone else who could then force the Buyer to keep his or her promise to pay free from any claim or defense that the Buyer might have against the Developer. "Loan Documents" means any "purchase money contract" as defined in the Time Share Law. In general, "purchase money contract" refers to things like a promissory note, an agreement of sale, or other contract in which the Buyer agrees to repay a loan made to finance the Buyer's purchase of a Vacation Ownership Interest and made to the Buyer by the Developer or by a lender that is (i) affiliated with the Developer or (ii) to whom the Developer referred the Buyer.

"Closing" refers to completing the sale of a Vacation Ownership Interest. This normally includes recording your Vacation Ownership Deed and any mortgage that you sign, and payment to the Developer of all sums due under your Purchase Contract.

"Blanket liens" are certain kinds of encumbrances (for example, a mortgage) as defined in the Time Share Law that affect two or more Vacation Ownership Interests.

An escrow account for the Developer and its sales agents has been established with Hawaii Resort Escrow, Inc. (the "Escrow Agent"). Its address, telephone and fax numbers are 810 Richards Street, Suite 770, Honolulu, Hawaii 96813. Telephone: (404) 954-9831; Fax No. (404) 954-9898.

The Developer or the sales agent must give each Buyer's Funds, Notes and Loan Documents to the Escrow Agent to hold in this account. But, as permitted by Hawaii's Time Share Law, the Developer or any sales agent may initially hold all Notes (such as a Buyer's check) and Loan Documents (a) that are payable to the Escrow Agent, or (b) that are not negotiable instruments, until: (1) the Seven-Day Cancellation Period expires; and (2) the expiration of any longer period stated in the Purchase Contract in which a Buyer may cancel.

14. ESCROW AGREEMENT

The Escrow Agreement is dated April 12, 2005. When you sign your Purchase Contract, you also adopt the Escrow Agreement, just as if you had signed it yourself. Be sure to

read it. The Escrow Agreement contains the Developer's and your instructions for the handling of your Funds, Notes and Loan Documents, and for Closing your purchase. Some of the key provisions of the Escrow Agreement may be summarized as follows:

14.1. RELEASE OF BUYER'S FUNDS. No matter what else the contract documents say, the Escrow Agent may not release your Funds, Notes or Loan Documents to the Developer or a sales agent, or to someone else for the benefit of the Developer or a sales agent, until the last of these events occurs:

A. The Hawaii Real Estate Commission has issued an effective date for a Final Condominium Public Report on the Condominium.

B. Your Purchase Contract "has become binding, and the requirements of sections 514A-40, 514A-39.5 and 514A-63 have been met" as that phrase is used in Section 514A-65 of the Hawaii Condominium Property Act.

C. The Escrow Agent has received a copy of a receipt for the Hawaii Disclosure Statement signed by you.

D. Your Seven-Day Cancellation Period has expired.

E. If and only if (i) your Purchase Agreement was made before the date when the Hawaii Real Estate Commission issues an effective date for a Final Condominium Public Report on the phase in which your Unit is located, and (ii) the Hawaii Real Estate Commission does not issue an effective date for a Final Condominium Public Report on that phase by the date on which the Contingent Final Public Report for that phase expires, then these conditions must be met:

❖ The Seller has given you written notice, by certified mail, that you have the right to rescind because the Real Estate Commission did not issue an effective date for a Final Public Report on the phase containing your Unit by the date on which the Contingent Final Public Report for that phase expired, and

❖ Both you and the Seller sign documents giving up (in legal terms, "waiving") your rights to rescind.

F. The Escrow Agent receives a sworn statement from the Developer stating, among other things, that the Developer has not received a valid notice of cancellation from you.

14.2. CLOSING DATE. The Developer must pick the day for the closing. That date is called the "Closing Date". It must occur within 90 days after the Closing Conditions are met. The Developer, however, can postpone the closing if it wishes to do so. Neither the Developer nor the Escrow Agent have to give you notice of the Closing Date.

14.3. CLOSING CONDITIONS. The Escrow Agent will close the sale on the Closing Date if all of the "Closing

Conditions” listed in the Escrow Agreement (including the following, among others) have happened:

A. The Escrow Agent has not received notice that the Developer or you have cancelled your Purchase Contract in the manner provided in the Escrow Agreement.

B. The Escrow Agent has received all necessary closing documents and money.

C. A title insurance company authorized to do business in Hawaii is committed to issue, after your Vacation Ownership Deed is recorded, a policy of title insurance on your Vacation Ownership Interest.

1) The title policy must insure that your Vacation Ownership Interest is subject only to any Mortgage signed by you, the Permitted Encumbrances, and anything else that doesn't make your title unmarketable.

D. As to each existing Blanket Lien, (i) the Escrow Agent is prepared to record or can confirm that someone else has already recorded a release of your Vacation Ownership Interest from the Blanket Lien, or (ii) in the case of mechanics' or materialmens' lien, your title policy includes an endorsement providing coverage against such liens.

E. The requirements described in section 14.1, above, have been met.

14.4. FUNDS IN ESCROW.

A. The Escrow Agreement provides that any interest earned on Funds in escrow will belong to the Developer.

B. The Escrow Agent may release a Buyer's Funds to the Developer prior to Closing if, as then permitted by law or by the Director pursuant to law, the Developer posts a bond, letter of credit, or other financial assurance that assures repayment to the Escrow Agent of any refund due the Buyer prior to Closing.

14.5. REFUNDS. The Escrow Agent will refund your Funds if and only if:

A. You or the Developer give a valid notice of cancellation during the Seven-Day Cancellation Period (this applies only if your offer and sale was made wholly or partly in Hawaii).

B. You give a valid notice of rescission under Section 514A-64.5 of the Condominium Property Act. This applies only if (i) your Purchase Agreement was made before the date when the Hawaii Real Estate Commission issued an effective date for a Final Condominium Public Report on the phase of the Condominium in which your Unit is located, and (ii) the Hawaii Real Estate Commission did not issue an effective date for a Final Condominium Public Report on that phase by the date on which the Contingent Final Public Report expired.

C. You give a valid notice of cancellation under Section 514A-63 of the Condominium Property Act.

D. The Developer gives notice to the Escrow Agent that you have used any right to cancel that you have under the Purchase Agreement (other than the rights described in paragraphs A, B, or C, above). In that case, the Escrow Agent will refund your funds.

E. You give notice to the Escrow Agent that you have exercised any right to cancel that you have under the Purchase Agreement (other than the rights described in paragraphs A, B, or C, above). In that case, the Escrow Agent will notify the Developer of your decision to cancel. If the Developer approves your cancellation in writing, then your Funds, less any escrow cancellation fee, will be refunded. Otherwise, the Escrow Agent may deposit your money in court.

F. If the Developer instructs the Escrow Agent to do so, the Escrow Agent will refund your Funds.

Your Funds will be refunded without interest except for a refund made under Section 14.5.B.

14.6. CANCELLATION BECAUSE THE BUYER DEFAULTS. If you default and the Developer cancels your Purchase Agreement then your Funds will be delivered as provided in your Purchase Agreement. If the Purchase Agreement provides that your Funds are to be paid to the Developer as liquidated damages, then before doing so the Escrow Agent must give you notice, by registered or certified mail, stating that the Developer has declared that you are in default. If the Escrow Agent receives an objection from you within thirty (30) days after sending the notice to the you, then the Escrow Agent may deposit your Funds in court. Otherwise, the Escrow Agent may pay your Funds to the Developer.

14.7. PROTECTION OF THE ESCROW AGENT. The Escrow Agreement contains various protections for the Escrow Agent such as the following:

A. If there is any dispute or conflicting claims, the Escrow Agent may deposit your Funds with a court. The court would resolve the dispute or conflict.

B. Both the Developer and you agree to protect and pay (or, in legal terms, "indemnify") the Escrow Agent for losses it suffers for acting as instructed in the Escrow Agreement. But this indemnity does not include losses due to the Escrow Agent's negligence or misconduct.

15. ESTABLISHMENT OF A NON-PROFIT CORPORATION, ASSOCIATION MEMBERSHIP

15.1. FORMATION OF THE ASSOCIATION. Ocean Resort Villas North Vacation Owners Association was formed on February 28, 2005. Everyone who owns a Vacation Ownership Interest is a member of the Association. This

includes the Developer as to all unsold Vacation Ownership Interests.

15.2. THE ASSOCIATION'S PURPOSES AND DUTIES, IN GENERAL. The Association is the association of persons who own Vacation Ownership Interests in the Plan as required by the Hawaii Time Share Law. It has all of the powers and must perform all of the duties listed in the Vacation Plan Documents. For example:

- ◆ It pays the Plan Expenses and manages the financial affairs of the Plan. This includes preparing annual budgets, collecting Assessments and Personal Charges, and so on.
- ◆ It manages and maintains the Vacation Property, and provides check-in, check-out, and housekeeping services.
- ◆ It signed an Affiliation Agreement with the Club which requires that the Club Operator provide reservation services for the Plan. If that arrangement ends, then the Association would provide reservation services for the Plan.
- ◆ It enforces the Vacation Plan Documents.

The Association is not responsible for the acts and omissions of Owners and Occupants. However it does have the right to remove Occupants who fail to leave their Assigned Unit on time.

15.3. OPERATION OF THE ASSOCIATION. Members participate in the administration and management of the program through their membership and voting in the Association, and their election of Directors to govern it. Each Owner of a Vacation Ownership Interest is automatically a Member of the Association, and only Owners are Members.

The Association meets at least once every year and may meet more often by having special meetings. To have a meeting, Members owning at least five percent of the total number of votes in the Association must be present. Generally, a majority of the votes cast at any meeting will control, unless a higher percentage is required by the Vacation Plan Documents. The Developer's votes are included except to the extent that the Vacation Plan Documents expressly state that the Developer is not included.

The Bylaws of the Association contain, among other things, the rules for running the Association. For example, they include rules: (1) on how to call and run meetings; (2) on how members and Directors will vote and how decisions will be made; (3) on how Directors and officers will be elected or appointed; (4) governing the actions of Directors, officers and committees; and (5) on how to handle books and records. The Bylaws also provide Directors, officers and other Association agents protections on claims made against them because they acted for the Association.

15.4. VOTING. Each Every-Year Vacation Ownership Interest has two votes and Each Every-Other-Year

Vacation Ownership Interest has one vote. When a Vacation Ownership Interest is owned by more than one person, its co-Owners do not each receive one or two votes. Instead, the co-Owners of that Vacation Ownership Interest must share the one or two votes for that Vacation Ownership Interest. Only one vote may be cast for each Every-Other-Year Vacation Ownership Interest, and only two votes may be cast for each Every-Year Vacation Ownership Interest. The Developer may cast the vote of any Vacation Ownership Interests it owns, but in some cases the votes of the Developer are not counted.

All Owners are encouraged to participate actively in the Association. So long as there is any substantial number of unsold Vacation Ownership Interests, as a practical matter the Developer will have significant voting power and therefore may have control over the Association and the Board, especially if other Owners do not participate. Note that the same thing may happen if the members of the Condominium Association and/or Master Association do not actively participate in their affairs.

15.5. THE BOARD OF DIRECTORS. The Board of Directors may exercise all powers and perform all duties of the Association. However the Board may not do anything that, by law or under the Vacation Plan Documents, can only be done by the Owners.

The Board consists of five Directors although this can be changed. The Directors will be elected by vote of the members, including the Developer. The initial Directors, however, were appointed by the Developer and are employees or agents of the Developer.

The Board may delegate its powers to the officers of the Association or to one or more professional managers hired by the Association. The Board must hire a Plan Manager for the Plan.

On conflicts of interest, the Bylaws provide that a Director who has a conflict of interest on any issue before the Board must disclose the nature of the conflict of interest prior to a vote on that issue at the Board meeting. A transaction in which a Director has a conflict of interest may be approved in the manner provided in the Hawaii Nonprofit Corporations Act.

15.6. DELEGATION OF RESPONSIBILITIES, DUTIES AND AUTHORITIES TO THE PLAN MANAGER. The Association must require the Plan Manager to perform the duties and obligations of the Association except for those that cannot be delegated by law or under the Vacation Plan Documents.

The Management Contract has a term of 5 years from the earlier of the date when the first Vacation Ownership Deed is recorded. The Association may terminate the contract at any time for cause if the Plan Manager violates a material part of it and fails to cure its violation within the time permitted by the Management Contract or any longer time permitted by the Board. After the first term and each later term ends, the Management Contract automatically will be renewed for

additional three year terms unless the Association sends a notice canceling the Management Contract at least 90 days before the next renewal date. The Association may not give that notice without (i) the vote, at an annual or special meeting of the Association held within one year before the renewal date, of Owners holding more than 50% of the total number of votes for all Vacation Ownership Interests, or (ii) the written assent of Owners holding more than 50% of the total number of votes for all Vacation Ownership Interests obtained within one year before the renewal date. If the Developer holds a majority of the votes in the Association, then (i) the Developer must abstain from the vote, and (ii) the Developer's votes will not be considered when determining whether a Majority of the Owners have voted or given their written assent to not renewing the Management Contract. Even so, it may be difficult for the Association to get the necessary votes or written assent. Note that the management contracts for the Condominium Association and the Master Association have similar but differing termination provisions and may be similarly difficult to terminate. The Plan Manager may resign at any time upon 90 days notice to the Association. The Developer appointed the initial Plan Manager.

The Plan Manager and also the Managing Agent for the Condominium each have a licensing arrangement with Westin License Company to use the name "Westin" and other service marks and trademarks (the *Marks*) owned or licensed to the Westin License Company. As a result, (i) the Plan will be designated as a Westin resort while the licensing arrangement is in effect, and (ii) the Condominium, the Master Association, and the Vacation Ownership Plan must be operated, managed, and maintained according to the standards established by the Westin License Company to protect its Marks (the *Westin Standards*). The fees, costs, and expenses to maintain the affiliation with Westin License Company will be Common Expenses of the Condominium, Project Expenses of the Master Association, and/or the Plan Expenses of the Plan. If the licensing arrangement ends for any reason, the Condominium, the Master Association, and the Plan will not be able to use the Marks (including the Westin name). This may happen if, for example (i) the management agreements with the Managing Agents or the Plan Manager end for any reason; or (ii) the Condominium, the Master Association, or the Plan is not managed, operated, and maintained in a manner consistent with the Westin Standards, or (iii) the licensing arrangement expires and is not renewed, or (iv) if other normal business defaults occur.

The Plan Manager and the Managing Agent of the Condominium each have certain rights to use the names "Kaanapali Ocean Resort", "Ka'anapali Ocean Resort", "Kaanapali North Beach" and "Ka'anapali North Beach" with respect to the Condominium, the Master Association, and/or the Plan under an agreement with the owner of those names (the "Ka'anapali Agreement"). As a result, (i) the Plan will be designated as the "Ka'anapali Ocean Resort Villas North Vacation Ownership Plan" or by other names used to identify the Vacation Property or the Vacation Ownership Plan as being located in Ka'anapali North Beach, and (ii) the availability and use of these names is subject to the terms, conditions, and requirements of the

Management Agreement and the Ka'anapali Agreement. The fees, costs and expenses to comply with those agreements will be Common Expenses of the Condominium, Project Expenses of the Master Association, and/or the Plan Expenses of the Plan. If the Management Agreement, the Condominium management agreement, or the Ka'anapali Agreement end for any reason, the Condominium, the Master Association, and/or the Plan will not be able to use these names.

15.7. CHANGING THE VACATION PLAN DOCUMENTS.

A. **DECLARATION AND BYLAWS.** Generally, the Vacation Plan Declaration and Bylaws may be changed if (1) the amendment is approved by the vote of a Majority of the Owners Voting, and (2) if the Developer owns, or holds a mortgage on, any Vacation Ownership Interest, the Developer gives its written consent by signing the amendment.

B. **ARTICLES.** Changes to the articles generally must be approved by the vote of (i) two-thirds of the Owners who are present at an Association meeting, and (ii) the Developer (if it owns, or holds a mortgage on, a Vacation Ownership Interest).

C. **OTHER CHANGES.** The Developer has special and reserved rights to change the Plan and the Vacation Plan Documents as previously discussed. The Board may change the Articles to conform to the Declaration, the Bylaws, or Hawaii law. The Plan Manager may, with the Board's approval, change the Association Rules. A Majority of the Owners may vote to change the Association Rules at a meeting of the Association so long as the notice of the meeting stated that the change would be considered at the meeting. Changes to the Association Rules require the consent of the Developer (if it owns, or holds mortgages on, at least fifty Vacation Ownership Interests) and the Club Operator (if the Plan is part of the Club). The Club Operator may change the Club Rules in the manner provided in them. The SVN Operator may change the SVN Rules in the manner provided in them. The Association and the Club Operator may change the Club Affiliation Agreement. The Club Operator and the SVN Operator may change the SVN Affiliation Agreement. No amendment to the Vacation Plan Documents may change the rights and privileges of the Developer or the Club Operator unless they sign it.

16. DEVELOPER IS ALSO ACQUISITION AGENT OR SALES AGENT OR PLAN MANAGER

The Developer is also the sales agent. Buyers should understand that the sales agents represent only the Developer and not any individual Buyer.

The Plan Manager is also the Club Operator. That company is related to the Developer and the SVN Operator. The Developer is the Owner of any unsold Vacation Ownership

Interests. The Developer also has certain other special rights, such as the right to reserve use periods not reserved within sixty days before the Check-In Day. The Club Operator also has the right to reserve use periods not reserved within sixty days before the Check-In Day and certain other special rights. In short, both the Developer and the Club Operator have interests that compete with the interests of the other Owners. Because of this and because the Plan Manager is related to these companies, the Plan Manager has potential conflicts of interest.

For example, the Plan Manager must enforce the Vacation Plan Documents. This may give rise to conflicts in determining whether and how to interpret or enforce the Vacation Plan Documents when the interests of the Developer or the Club Operator may be affected, and the amount of any Assessment or Personal Charges to be charged to or collected from the Developer or the Club Operator under the Vacation Plan Documents.

The Club Operator provides reservation and exchange services to the program. A conflict of interest may arise to the extent that Club Operator has the authority to confirm reservations and exchanges for the Developer, for the Club Operator, the SVN Operator, for the individual Owners, or for members of other Club Vacation Plans or at other SVN Resorts. For instance, Owners may find themselves competing with the Club Operator for last minute reservations of otherwise unreserved time periods. Although the Developer and the Club Operator can reserve any unreserved Use Periods, they may not do so more than sixty days in advance.

A conflict may also arise to the extent that Club Operator or the SVN Operator have the right (i) to assign points to the Vacation Property and/or to property included in other Club or SVN Resorts being developed by their affiliates, or (ii) have the right to set the number of points required to use units in other Club Resorts or SVN Resorts. Points assigned to other Club Resorts or SVN Resorts, however, will not affect your ability to reserve a unit in this Plan during the Home Resort Reservation Periods.

Further, the same company may serve as the Plan Manager of the Plan, the Managing Agent of the Condominium, and the Managing Agent of the Master Association. The Condominium and the Master Association may include as members persons who are not Owners of Vacation Ownership Interests in the Plan. Since they are related to the Developer, conflicting demands may be made upon the company because of its service in these differing roles.

Potential conflicts of interest may be mitigated by the right of the Association to terminate the Plan Manager's contract for cause should it put the interests of the Developer or Club Operator above the proper management and administration of the Plan for the benefit of all Owners. The Association also has the right to terminate the Club Affiliation Agreement for cause. Also, proper management of the Plan is in the Developer's interest so long as the Developer is still selling Vacation Ownership Interests in the Plan and receiving

payments of the purchase price from the Buyers. The Club Operator and the SVN Operator have similar interests because each Vacation Ownership Interest sold by the Developer also results in a new member joining the Club and SVN.

Although not a conflict of interest, you should realize that the Club Operator and the SVN Operator have the right to choose other exchange programs and/or benefits to be offered through the Club or SVN, and/or to determine the terms and conditions under which such programs or benefits may be offered, and/or to stop offering any such programs or benefits. Normal business considerations, including financial or other benefits to be derived by the Club Operator, the SVN Operator, or their affiliates, may influence their decisions on these matters.

17. COMPLIANCE WITH COUNTY REQUIREMENTS

A. The County of Maui has confirmed that the Condominium is located in a zone designated for hotel use and thus may be used for timesharing.

B. The property is subject to that certain Special Management Area (SMA) Permit 88/SM1-023 and Shoreline Setback Variance (SSV) 88/SSV-002 dated July 19, 1988, issued by the County of Maui, as confirmed by letter of July 22, 1988, issued by Christopher L. Hart, Planning Director. The property is also subject to Special Management Area Permit SM1-2003 0024 issued by the County of Maui, dated October 13, 2004. The property is also subject to Special Management Area Use Permit (Docket No. 97-SM1-006) dated December 14, 1998 to the extent that it applies to the Condominium.

Copies of these permits are available for inspection by purchasers and prospective purchasers. The Condominium is subject to these permits. Some of the requirements of the SMA Permit apply to the initial construction and completion of the Condominium. Other requirements apply to the Project on an ongoing basis. The Developer is responsible for compliance with the SMA Permits pertaining to the initial construction and completion of the Project and must pay the cost to do so. The Developer, however, has no obligation to comply with requirements of the SMA Permits that do not apply to the initial construction and completion of the Project or any phase of it. Owners and/or the owner associations must comply with these permits on an ongoing basis. The permits require, among other things, that the Condominium Association buy and maintain comprehensive liability insurance of at least one million dollars naming the County of Maui as an additional insured. The policy must cover all claims or demands for property damage, personal injury and/or death arising out of the permits, including but not limited to (1) claims from any accident in connection with the permitted use, or occasioned by any act or nuisance made or suffered in connection with the permitted use, and (2) all actions, suits, damages and claims brought or made by reason of the non-observance or non-performance of any of the terms and conditions of the permit.

The cost of the policy will be a common expense of the Condominium. The permit also requires (i) that the Condominium be connected to and use the County's reclaimed water system when it becomes available, (ii) that appropriate energy conservation measures be incorporated into the Condominium, (iii) that low level lighting be used on the buildings, in the landscaped areas, and that parking lot lighting be fully shielded, and (iv) that dedicated employee parking be provided at the Project.

Please note that any further development may require additional Special Management Area approval by the County of Maui.

18. SALES IN VIOLATION OF HAWAII TIME SHARE LAW

Section 514E-11.3 of Hawaii law provides that every sale or transfer made in violation of the Hawaii Time Share Law is voidable at the election of the Buyer.

19. SERVICE OF PROCESS

This refers to the official delivery of papers involved in a lawsuit. The Developer may be served by serving process on The Corporation Company, 1000 Bishop Street, 15th Floor, Honolulu, Hawaii 96813.

20. MORE DISCLOSURES

Vacation Ownership Interests are offered and sold as real estate. Purchases should be made for personal use and enjoyment and for value as a vacation experience and for spending leisure time, not as an investment or for rental income purposes or for appreciation or for value at resale. No promises about rentals or resale services, or any other arrangement for economic benefit, are made or authorized.

While the Seller may provide financing for you, it will do so only for its own benefit. The Seller has not agreed to act as your agent in seeking a loan from someone else. If you are borrowing from someone other than Seller, then (i) you must get the loan yourself and the Seller has no obligation to help you do so, (ii) you must pay all costs and expenses charged by that lender, and (iii) you must make sure that your lender is ready to Close by the Closing Date.

21. THIS DISCLOSURE IS A SUMMARY ONLY. FOR MORE INFORMATION, READ ALL OF THE DOCUMENTS CAREFULLY

This document contains disclosures required by Section 514E-9, HRS and Section 16-106-3, HAR, of the Time Share Law. It also contains information that the Developer believes

Exhibit C

SPECIAL RIGHTS OF THE DEVELOPER, THE CLUB OPERATOR, AND THE NETWORK OPERATOR

The Developer owns all unsold Vacation Ownership Interests and generally has the same rights as other Owners with respect to those Vacation Ownership Interests. In addition, the Developer has the following "Reserved Rights" that other Owners do not have. These rights are in addition to the rights of the Developer described in Exhibit D.

DEVELOPER:

1. The Developer may: (i) use one or more Vacation Units as model apartments; (ii) use one or more of the Vacation Units for customer relations, sales, marketing, and/or administrative offices, and (iii) show the Vacation Units to potential buyers.
2. The Developer may use its Vacation Periods for any purpose, no matter what else the Vacation Plan Documents provide. This includes, among other things, use for rental, sales and other commercial purposes permitted by law. If the Developer rents these Use Periods, it has the right to keep the rent.
3. So long as the Developer owns any Vacation Ownership Interest or apartment, it may use: (i) the common elements of the Condominium for any purpose permitted by law and by the Condominium Documents, free from the restrictions imposed by the Vacation Plan Documents, and (ii) the Master Association Amenities for any purpose permitted by law and by the Master Association Documents, free from the restrictions imposed by the Vacation Plan Documents.
4. The Developer has the exclusive right and an easement to solicit Owners and Occupants staying in the Vacation Units. The Developer may exercise its right and easement in any manner that does not violate any laws that may apply. The Association and the Plan Manager will facilitate the Developer's exercise of its exclusive right and easement. For example:
 - The Developer may require that the Plan Manager place marketing materials in the Vacation Units, or to give out informational brochures, flyers, and other things at the front desk.
 - The Developer may place signs and other marketing materials at the front desk, in the courtyards, or in other parts of the Condominium under the control of the Association or the Plan Manager.
 - The Developer will have the exclusive right to use one channel of any cable television or similar system to run television commercials and advertising programs on a periodic or continuous basis.
 - The Developer may leave messages on the voice mail for the Vacation Units.
- The Association and Plan Manager will provide to the Developer access to reservation systems and to other databases, subject to any restrictions imposed by law.
5. The Developer may change the name of the Vacation Ownership Plan at any time.
6. In certain Use Years, there will be 53 Use Weeks instead of 52. The Developer has the right to reserve and use the Vacation Units for one Use Week in each Use Year that contains a 53rd Use Week. The Developer must reimburse the Association for any resulting increase in expenses for housekeeping services in excess of the amount allocated for those services in the assessment for maintenance for the use or rental.
7. The Developer has the right to reserve any Use Periods that, for any reason, are not reserved as of sixty (60) days before the Check-In Day. The Developer may keep the rent but must reimburse the Association for any resulting increase in expenses for housekeeping services in excess of the amount allocated for those services in the assessment for maintenance for the use or rental.
8. The Developer gets to choose the initial Plan Manager and it is a company related to the Developer.
9. The Developer may add apartments to the Plan. It may also remove any apartments if it owns all of the Vacation Ownership Interests in them.
10. The Developer may create new Unit Types and new kinds of Vacation Ownership Interests having new kinds of reservation and use rights. It may also create new kinds of Event Weeks. The Developer may do these things only with respect to apartments being added to the Plan or apartments where the Developer owns all of the Vacation Ownership Interests.
11. The Developer may divide an Every-Year Vacation Ownership Interest into two Every-Other Year Vacation Ownership Interests. Nobody else can do that.
12. Certain parts of the Vacation Plan Documents cannot be changed without the Developer's written consent.
13. Without the Developer's written consent, an Owner may not lease, rent, or otherwise contribute his or her Vacation Ownership Interest or its reservation or use rights to (i) another vacation ownership or time share plan or

- program, (ii) a fractional ownership plan, or (iii) a Competitor of the Developer.
14. Each Owner promises not to enter into a “*Rental Pool*” or similar arrangement where the Owner’s Vacation Period is placed together in a pool with other Owners’ Vacation Periods and rented, or where rental income and/or expenses are shared in some other way. Only the Developer can enforce this restriction.
 15. The Developer has a right of first refusal on each Vacation Ownership Interest as discussed in Section 7.
 16. The Developer chooses the first Board of Directors for the Association.
 17. The Board may not incur or commit the Association to incur legal fees and costs of more than \$25,000 in a dispute with the Developer or any company related to the Developer, or in a dispute with the Club Operator or any company related to the Club Operator, unless:
 - a. The Board obtains from at least two law firms and provides to the Owners: (1) A list of all of the Association’s claims, (2) An estimate of the likelihood of prevailing on each claim, and (3) An estimate of the total amount of legal fees, court costs and expenses that the Association is likely to incur through the trial or completion of any arbitration or other proceeding (assuming that the Association will prevail on only those claims where the law firms give the Association more than a 60% chance of prevailing), and (4) An estimate of the total amount of any Special Assessments, or any increase in the Regular Assessments, that the Board expects to charge to the Owners to pay for legal fees, court costs, and expenses while the lawsuit or other legal proceeding is going on.
 - b. A Majority of the Owners vote at a special meeting of the Association to authorize the Board to start and prosecute the lawsuit or any other arbitration or other legal proceeding. This may be difficult to do. The Vacation Ownership Interests and votes of the Developer, however, will not be counted.

This rule does not apply to suits against the Developer or any company related to it if the suit is filed solely to collect Assessments, Personal Charges, or Subsidy Contract payments that are past due or for breach of any contract to provide goods or services to the Association (for example, the Management Agreement or the Club Affiliation Agreement).
 18. The Association must furnish a copy of the list of Owners to the Developer upon request. It may not furnish the list to anyone else without first notifying the Developer and giving the Developer an opportunity to object to release of the list.
 19. The Developer may transfer property to the Association and the Association must accept it.
 20. The Developer has the right to determine the Relative Valuation for each type of Vacation Unit. This is used to divide the Plan Expenses among the different Unit Types. The Relative Valuation per square foot for a new Unit Type cannot be more than twenty percent (20%) higher or lower than the Relative Valuation per square foot for other Unit Types having the same number of bedrooms if the Unit Types have similar features (for example, size [±150 square feet], location, number of bathrooms, and views).
 21. Certain Association actions require both the approval of the Owners and the approval of the Developer. For example, certain amendments of the Declaration require this.
 22. The Developer must pay the Assessments and Personal Charges for each Vacation Ownership Interest its owns. Instead of doing so, however, the Developer may enter into a “*Subsidy Contract*” with the Association in which the Developer agrees to pay to the Association the difference between (i) the actual cost incurred by the Association, and (ii) the Assessments collected from Owners and all other amounts paid to the Association by anyone other than the Developer.
 23. The Developer is not liable for any decision it makes on insurance for the Association unless it was grossly negligent or was guilty of intentional misconduct.
 24. Without the consent or approval of any person, including any Owner and anyone having a contract to buy a Vacation Ownership Interest, the Developer may change the Declaration and Bylaws under certain circumstances, including the following among others:
 - ❖ The Developer may make changes for any purpose before any First Deed or Agreement of sale is recorded.
 - ❖ The Developer may make changes to comply with the laws and regulations of the State of Hawaii.
 - ❖ The Developer may make changes to comply with the laws of any other place (for example, the State of Maine) or the requirements of any government agency (such as the California Department of Real Estate) in connection with the registration of (i) the Plan, or (ii) the Club (if any Owner is a Club Member), or (iii) SVN (if any Owner is an SVN member).
 - ❖ The Developer may make changes to satisfy requests for changes made to the Developer by any institutional lender loaning money to the Developer, by any investor in mortgages initially made in favor of the Developer, or by any title company licensed to do business in the State of Hawaii.

- ❖ The Developer may make changes in any Declaration of Annexation adding new Unit Types or creating new kinds of Vacation Ownership Interests.
- ❖ The Developer may make changes in any amendment creating new Event Weeks.
- ❖ The Developer may make changes to correct any mistake in the Vacation Plan Documents.

However, unless it is signed by the Owner and the Owner's Lender (if any), no amendment may:

- ❖ Take away the right of any Owner to reserve a Use Week and to use a Vacation Unit during his Vacation Period;
 - ❖ Take away the right of an Owner having a Fixed, Event or Ultra Premium Vacation Period to use a Vacation Unit during the Owner's Use Week.
 - ❖ Take away the right of an Owner having the right to use a certain Vacation Unit during his or her Vacation Period (if the Owner has Fixed Unit use rights).
 - ❖ Change an Owner's undivided interest in a Vacation Unit.
 - ❖ Change the right of the Owner to cast one vote for an Every-Other-Year Vacation Ownership Interest or two votes for an Every-Year Vacation Ownership Interest.
25. No amendment may change the rights and privileges of the Developer unless the Developer gives its consent by signing it.
26. If the Developer signs and records a document that expressly transfers some or all of its rights or duties as the

Developer under the Vacation Plan Documents to someone else, then that person will become the "Developer" to the extent of the rights and duties transferred. That person will not become liable, however, for any violation of the Vacation Plan Documents or other acts of the prior Developer(s).

CLUB OPERATOR AND SVN OPERATOR:

1. The Club Operator has the right to permit members of Other Club Vacation Plans to use the Vacation Units in the Plan if they properly reserve it through the Club. The SVN Affiliation Agreement may authorize the SVN Operator to permit SVN Members to use the Vacation Units in the Plan if they properly reserve it through the SVN program.
2. The Club Operator has the right to change the Reservation Rules in the manner and under the circumstances provided in them. The Club Operator has delegated this right to the SVN Operator. The SVN Operator has the right to change the SVN Rules.
3. At any time when the Plan is part of the Club, no amendment may change the rights and privileges of the Plan Operator or the Club Operator unless the Club Operator gives its consent by signing it.
4. If the Club Operator signs and records a document that expressly transfers some or all of its rights or duties to someone else, then that person will become the Club Operator to the extent of the rights and duties transferred. That person will not become liable, however, for any violation of the Vacation Plan Documents or Club Documents or other acts of the prior Club Operator (s).
5. The Association must furnish a copy of the list of Owners to the Club Operator upon request.

Exhibit D

CONDOMINIUM DEVELOPER'S RESERVED RIGHTS

The Developer has reserved various rights under the Condominium Documents. Some of the Developer's Reserved Rights are or may be necessary or helpful to developing the Condominium in phases. Even so, the exercise of the Developer's Reserved Rights is not limited to the development of the Condominium in phases except to the extent that the Condominium Declaration expressly states otherwise. The Developer's Reserved Rights under the Condominium Documents include, among others, the right:

- ❖ To design, develop, construct and add new buildings and improvements on the land of the Condominium or on any Adjacent Parcel (sections 19, 20, and 23). "Adjacent Parcel" means any part or all of Lots 98, 102, 103, and/or 104 as shown on Map 86 of Land Court Application No. 1744, and any other lot located in Ka'anapali North Beach.
- ❖ To control, manage, arrange and/or conduct the design, development, construction, installation, addition, and completion of improvements on the land even after it deeds apartments, vacation ownership interests, and/or fractional ownership interests to others. This is an exclusive right, and it includes the right to exercise all rights and make all decisions of the "owner" or the "developer" of the Condominium, including controlling the work, fencing off the construction area, applying for permits and licenses, arranging contracts, and so on;
- ❖ To create new apartments in any new buildings and improvements constructed on the land (section 18) and to create parking stalls or other limited common elements and assign them to those apartments and/or to assign any previously built unassigned parking stalls as limited common elements of the new apartments;
- ❖ To expand Apartment 101 to include any new improvements constructed on the Condominium (section 18).
- ❖ To create new apartments and/or common elements from the limited common elements of any commercial apartment (section 21);
- ❖ To convert any part of any apartment owned by the Developer into limited common elements for that apartment (section 22);
- ❖ To convert all or any part of any apartment owned by the Developer or its limited common elements into general common elements (section 22).
- ❖ To divide any commercial apartment into two or more apartments, and to combine two or more commercial apartments into one apartment (section 17);
- ❖ To change or remove any wall, floor or ceiling between two adjacent commercial apartments, or within a commercial apartment, or between a commercial apartment and its limited common elements;
- ❖ To change the ownership share (in legal terms, the "common interest in the common elements") of each apartment when apartments are created, divided, or combined;
- ❖ To create, grant, accept or otherwise deal (i) with any easements over, under, across or through the common elements, or (ii) easements in favor of the Condominium or its land (section 7.4);
- ❖ To enter the Condominium and to permit its employees, agents, contractors, and so on, to do so;
- ❖ To make noise, dust, vibrations and do other annoying things when using these or other reserved rights of the developer; and
- ❖ To change the Condominium as needed or helpful to comply with law or with Special Management Area Use Permits ("SMA Permits"), and other governmental permits, approvals or zoning requirements (sections 24 and 25). For example, the Developer has these rights:
 - It can do anything required by the SMA Permits. For example, the SMA Permits may require that construction stop if historic, archaeological, or cultural sites are discovered.
 - It can enter into any agreements with the County of Maui or the State of Hawaii, or any agency of either of them. It can also record those agreements so that they are binding on the Condominium, and it can do the things required by those agreements.
 - It can defend any challenge to the SMA Permits. It can also enter into settlement agreements with anyone who challenges the SMA Permits or who otherwise intervenes in the SMA Permitting process, and do the things required by the settlements. It can also record those agreements so that they are binding on the Condominium.
 - It can agree to changes to the SMA Permits. However, the Developer may not do so if the change would impose an unreasonable financial burden on the Association.

This is only a summary of certain Developer's Reserved Rights. The nature and extent of these rights is described in and governed by the Condominium Documents.

The Developer may exercise the Developer's Reserved Rights separately or in one or more combinations and at one or more times. The Developer has no duty to exercise the Developer's Reserved Rights. For example, the Developer has no duty to develop any new phases of the Condominium. Conversely, the use of these rights on one occasion does not limit or otherwise affect the Developer's right to use them again from time to time.

The Developer may use the Developer's Reserved Rights in most cases without being required to obtain the approval, consent, or joinder of anyone else, and without having to give notice to anyone else. This includes, but is not limited to, the Association, any apartment owner, any lender, or any other Interested Person.

When an apartment owner or any other Interested Person acquires an apartment or any other interest in the Condominium, he or she automatically does each of these things:

He or she takes his or her interest in the Condominium subject to the Developer's Reserved Rights, and each and every exercise and/or assignment of them.

He or she acknowledges, approves, consents to, agrees to and accepts:

- The Developer's Reserved Rights and its use of them from time to time;
- That this may change the Condominium;
- That this may result in the recalculation of the common interest of some or all apartments in some cases; and
- That the Developer can file and/or record any and all documents that the Developer deems necessary or convenient to the use of its rights. This includes, but it is not limited to, amendments to some or all of the Condominium Documents.

He or she agrees, promptly after being asked to do so, to join in, consent to, sign (and have notarized if asked), deliver, and record all documents and do all other things that the Developer in its sole discretion determines to be necessary or convenient to the use of the Developer's Reserved Rights or to accomplish the purposes for which those rights were reserved (as determined by the Developer).

He or she appoints the Developer as his or her attorney-in-fact to join in, consent to, sign, have notarized, deliver and record all documents and to do all things on his, her or its behalf. This means that the Developer can act in the place of the Owner or other Interested Person. The Developer can do anything that they could do, and they ratify, accept and confirm anything that the Developer does using this power of attorney.

- ❖ This power of attorney appointment is permanent. It cannot be revoked and will not be affected by the disability of the Owner or any other Interested Person who gives it.
- ❖ The Developer can let someone else act in its place as a substitute attorney-in-fact.
- ❖ Each Owner and every other Interested Person gives the Developer this power of attorney whether or not it expressly says so in any deed, mortgage, or other document by which he or she obtained an interest in the Condominium.
- ❖ The Developer has the power to do only the things stated or intended by the Condominium Documents (as determined by the Developer). This includes, however, the power to do anything else that the Developer deems necessary or convenient to accomplish the stated or intended goal and anything incidental to it. Ambiguities must be resolved in favor of giving, not denying, the Developer the power to act.

Each Owner also appoints the Association as his or her attorney-in-fact with full right and power to receive and accept on his or her behalf any legal notice required by Chapter 501, Hawaii Revised Statutes, and to accept service of process (meaning legal papers) on his or her behalf in connection with any Land Court petition or other legal proceeding in the Land Court. This power of attorney appointment is permanent and it includes full power of substitution.

Each Owner also appoints the Association as its agent, and gives the Association a special power of attorney, to accept service of process and otherwise to receive and receipt for any notice to be given to the Owners or other Interested Persons with respect to any SMA Permits, any zoning or land use matters relating to the Condominium or any Adjacent Project, or any proceedings relating to any of these things. Upon receiving service of process or any such notice, the Association must send a copy of it to each Owner in the same manner that notice of Association meetings is given as provided in the Bylaws.

Amendments in Connection with Exercise of Developer's Reserved Rights. The Developer has the right to amend some or all of the Condominium Documents in connection with the exercise of some of the Developer's Reserved Rights. For example, the Developer may amend some or all Condominium Documents when using its reserved rights to build additional phases of the Condominium, to create new apartments in those phases, to designate limited common elements for those apartments, to remove land from the Condominium, and so on.

General Rights. The Developer also has reserved the right to change the Condominium Documents in certain other circumstances, including the following among others:

- ❖ It may change them in any way and for any purpose before the date when the Developer first records a deed transferring an apartment or a Vacation Ownership Interest to someone other than the Developer or its Lenders.
- ❖ It may change them to file the “as-built” statement (with plans, if necessary or convenient) required by Section 514A-12 of the Condominium Property Act. The Developer may do this each time a phase or increment of the Condominium, or any New Improvement is completed. It may also do this at any other time required by law or permitted by the Declaration.
- ❖ It may change them to comply with the laws of any place (for example, the State of Hawaii) or the requirements of any government agency (such as the California Department of Real Estate) in connection with the registration of the Condominium, or any time share or fractional ownership plan or program that includes one or more Apartments in the Condominium to permit the sale of Apartments, Vacation Ownership Interests, or Fractional Ownership Interests;
- ❖ It may change them to correct any mistake in the Condominium Documents.

- 2. INSTALLMENT PURCHASE TERMS** generally will be as follows: not less than ten percent down; an interest rate between 4.9% and 16.9%; and monthly installment payments over a term of not more than twenty years. There are no points, no prepayment penalties, and no balloon payments. Larger down payments and shorter terms will result in lower interest rates. The interest rate may also be reduced if a Buyer makes the monthly payments automatically from the Buyer's bank account through an Automatic Payment Plan Authorization ("APPA Program") or an Automatic Credit Card Authorization ("ACCA Program"). The Developer may offer other terms from time to time. The loan will be made using a note and mortgage. Notwithstanding anything stated to the contrary, the Buyer will not pay an interest rate in excess of 12% prior to Closing. Until the Closing, the Buyer must pay interest at the lesser of 12% per annum or the rate of one percent per month on the difference between the Purchase Price and the Initial Deposit as those figures are shown on the Buyer's Sales Contract.

- 3. ADMINISTRATIVE FEE:** These charges, sometimes referred to as “closing costs”, are per transaction, not per Vacation Ownership Interest. One transaction may include more than one Vacation Ownership Interest. A policy of title insurance will be issued to protect the Buyer. If the Developer provides a mortgage loan to the Buyer, a separate policy must be issued to the mortgage lender. The amount shown below for title insurance is based on a quote provided by Hawaii Vacation Title Services, Inc. (“Vacation Title”). The charge will be the same whether Vacation Title issues only an owner’s policy or an owner’s and a lender’s policy, and regardless of how many Vacation Ownership Interests are covered by the policy or policies. Buyers are free to choose any title company licensed in the State of Hawaii. If the Buyer chooses a title company other than Vacation Title, then the Buyer must give a written notice to the Escrow Agent stating the name of such title insurance company chosen by the Buyer. If the Buyer does not choose a title company, then Vacation Title will issue the policy or policies.

A Buyer will be required to pay closing costs not to exceed \$1000.00 (assuming that Vacation Title is to issue the title policy or policies). If the Buyer chooses a title company other than Vacation Title, then the Developer will pay up to a maximum of One Hundred Dollars (\$100.00) towards the cost of the title policy or policies. The Buyer must pay any amounts above that. The Administrative Fee paid by Buyer is applied to the expenses incurred by Developer to close the sale. Any excess is retained by the Developer for its expenses in selling the property. The Administrative Fee is not a finance charge and must be paid whether Purchaser pays in cash or finances the purchase. The following amounts represent estimated costs applicable to a standard closing. Some of these fees are paid by the Developer and some are paid by the Buyer. If Buyer is a corporation, an additional corporate name search fee (currently \$25.00) will be charged.

A.	Escrow Fee:	\$ 89.00
B.	Title Insurance Policy	\$100.00
C.	Administration	\$357.00
D.	Recording Fees:	
a.	Deed	\$ 90.00
b.	Conveyance Taxes	\$ 29.00
c.	Mortgage (if applicable)	\$ 30.00

In addition, the State of Hawaii charges a conveyance tax at the rate of \$.10 per \$100.00 of the purchase price, and this amount is paid as part of the Administrative Fee.

- 4. COLLECTION AGENT AND FEES.** This applies only if the Developer finances your purchase. The Developer will designate an agent to collect each Buyer’s loan payments and it may be an affiliate of the Developer or the Developer itself. The collection agent will impose standard charges due to any failure of a Buyer to pay, to pay on time, or dishonored checks and so on.
